## **Our Life Between Lives With John Schroeder**

The main source of information used for Mr. Schroeder's presentation is the Edgar Cayce Readings (ECRs) although other sources are also used. All of the information presented is subject to personal interpretation. Cayce's readings suggest that our loved ones, along with spiritual guides and helpers, play an important role in welcoming us "home" and offering us support, guidance, and reassurance as we acclimate to our new surroundings.

John Schroeder, MBA, is a second-generation Cayce enthusiast. He has seven published books, featuring novels that illustrate Cayce's concepts. He retired from buying, building, and selling businesses to become the Executive Director of one of the largest Unity churches, Unity of Phoenix. He served twice on the national ARE board and is currently on the AZ CORE team. He maintains a high-profile presence on YouTube and other social media websites.
