A Common Sense Voice of Reason

“New Vision for 2025”

Deborah is a staff attorney with The Lex Rex Institute, a constitutional advocacy of public interest law firm. For more than 15 years, she has been a popular speaker and radio show guest known for blunt honesty, speaking the truth boldly and articulating a common sense approach to current political and public issues. She is a founding board member and current President of the Conservative Patriots of Orange County (CPOC), and autonomous, non-partisan, non-profit 501 (c)4 social welfare entity dedicated to individual liberty, limited government, local control, sound fiscal policy and free enterprise. Deborah served two four-year terms as an elected council member for the City of Villa Park, providing oversight and setting policy that lead to greater fiscal stability for that municipality. Ms. Pauly received the 2009 Woman of the Year Award for the 60th Assembly District. It is a rare distinction to be honored once, but Deborah was also named Woman of the Year in 2003. Since 2008, Deborah has served on the National Council of the John Birch Society, where her responsibilities include input toward strategic decisions. JBS’s primary mission is spreading the message that with less government, more personal responsibility and God’s help, we can live in a better world.

She is also a graduate of the Defense Information School and was honorably discharged after serving active duty as a non-commissioned officer, Public Affairs Specialist, in the United States Air Force.
