

REINCARNATION: FACT OR FANTASY?

With Dr. Bruce E. Kaloski

LIFE AFTER LIFE CLUB

Saturday, June 7, 2025 9:30-11:00am

Clubhouse 7, 24111 Moulton Pkwy

\$10 (members free)

Info – call Mary (714)814-5844

Join Dr. Kaloski as he takes you thru the basics of reincarnation ... and then some; shares some remarkable case studies; and also explores the mounting empirical evidence for the phenomenon. You'll then be given the opportunity to experience one of your Past Lives as he leads you through a Past Life Regression session.

Once relegated to the worlds of spiritualism, mysticism and occult phenomena, reincarnation is now a hot mainstream topic. Not only do adherents of Eastern religions or New Age spirituality currently accept it, but so also do many who don't share such esoteric interests and convictions. Indeed, reincarnation distinguishes itself from other spiritual, mystical and esoteric subjects because of its rapidly expanding amount of empirical evidence. Some argue it is no more illogical to assume that reincarnation is a fact than it is to assume that each of us is limited to one birth and one death.

Dr. Bruce E. Kaloski - "America's Hypnotherapist to the Stars". Dr. Kaloski is an internationally recognized leader in the hypnotherapy, motivational psychology, personal empowerment and Past Life Regression disciplines.

Some of our programs are now featured on YouTube. Here is the link.
