PRESIDENT'S MESSAGE

WE NEED YOU !!!

Dear RCLW Members,

In the aftermath of Charlie Kirk's heinous assassination, we and the world are reeling and grieving with a wide range of emotions. Our editor, Shirley Morgan, has devoted Page 4 with the facts, but I want to reflect on the personal loss I trust we all feel.

When asked what he valued most for his legacy, Charlie said "the courage of his faith." We see how he deeply loved and cherished his wife, Erika and children and mankind. TPUSA is being given credit for securing President Trump's 2024 election.

Let's honor Charlie and commit to participate in all activities preserve our freedoms and win elections. We can do this best in Laguna Woods Village with willing and capable volunteers.

Shirley Morgan, our Newsletter Editor & Historian is 96 years old, has served our club since 1999. If she is willing to serve day in and day out ...I ask you too to serve as well when able.

Below is a most historic photo in our nation's history. President Trump surrounded by his most competent and willing group of men and women ever assembled in the White House.

All I ask is when you receive a call to participate you will HEED the call and SERVE.

Gratefully, Pat Micone, Your RCLW President

President Trump's Cabinet

Deborah Pauly & Shirley Morgan

THE GETTYSBURG ADDRESS

Four score and seven years ago our fathers brought forth upon this continent, a new nation, conceived in liberty, and dedicated to the proposition that all men are created equal.

Now we are engaged in a great civil war, testing whether that nation, or any nation so conceived and so dedicated, can long endure. We are met on a great battlefield of that war. We have come to dedicate a portion of that field, as a final resting place for those who here gave their lives that this nation might live, It is altogether fitting and proper that we should do this.

But in a larger sense, we cannot dedicate—we cannot consecrate—we cannot hallow—this ground. The brave men, living and dead, who struggled here, have consecrated it, far above our poor power to add or detract. The world will little note, nor long remember what we say here, but it can never forget what they did here. It is for us, the living, rather to be dedicated here to the unfinished work which they who fought here have thus far so nobly advanced.

It is rather for us to be here dedicated to the great task remaining before us, that from those honored dead we take increased devotion to that cause for which they gave the last full measure of devotion; that we here highly resolve that these dead shall not have died in vain; that this nation, under God, shall have a new birth of freedom, and that this government of the people, by the people, and for the people shall not perish from this earth.

Charlie Kirk was an American conservative political activist and radio talk show host. He co-founded the conservative organization Turning Point USA with Bill Montgomery in 2012, and served as its executive director since. He was CEO of Turning Point Action, Students for Trump, and Turning Point Academy, Turning Point. In his latest years, he became recognized as one of the most prominent voices of the MAGA movement in the Republican Party.

A key ally of Donald Trump. He exposed a variety of conservative stances, including opposition to abortion, gun control, DEI programs, and LGBT rights. His moral controversial views included his criticism of the Civil Rights Act of 1964 and Martin Luther King Jr, his promotion of COVID-19 misinformation and false claims of electoral fraud in 2020, and his opposition to immigration.

On September 10, 2025 Kirk was shot and killed while speaking at a TPUSA public event at the Utah Valley University campus. His death gained international attention and led to the condemnation of political violence by prominent dominant domestic and international figures. President Trump announced that Kirk would posthumously receive the Presidential Metal of Freedom.

A MESSAGE FROM MRS. ERIKA KIRK

The evildoers who took Charlie's life? They have NO idea what they have just UN-LEASHED! Not just across this country...*But in me!* They tried to silence his message-a message of patriotism, of faith, and of God's merciful love. Instead, they ignited something even greater.

Charlie always said: "Never surrender." The movement my husband built will not die...*I refuse to let that happen.*

And if YOU refuse to let Charles's vision die, join me in making Turning Point USA the biggest thing that this nation has ever seen.

STOP SACRAMENTO'S POWER GRAB

Vote 'NO' ON Prop 50: Stop Gavin Newsom's Power Grab

Kevin McCarthy is warning us about what Gavin Newsom is trying to do in California, because if we don't stop it here radical Democrats will copy it in every state.

Gavin Newsom and Sacramento Democrats are trying to shred California's voter-approved redistricting reform. PROPOSITION 50 IS NOTHING MORE THAN A \$200 MILLION SCAM DESIGNED TO RIG CONGRESSIONAL MAPS FOR Democrats and wipe out fair representation that Governor Schwarzenegger fought for.

**Prop 50 is BY politicians, FOR politicians.
HERE IS WHAT IT MEANS FOR EVERYONE**

Democrats will rig the system to grab as many as 6 more U.S. House seats and jam their radical woke agenda through Congress.

Out of 52 seats, Republican representation could be slashed from 9 seats down to just 3.

This is radical. It's dangerous. And it's exactly what Democrats will try to replicate nationwide if they succeed here.

Make no mistake. This is the start of Governor Newsom's presidential campaign, and what's worse, he's going to waste \$200 million in California taxpayer dollars!

We cannot let Gavin Newsom shred the Constitution, silence voters, and rig elections. "Kevin McCarthy"

STOP NEWSOM'S RETRICTING SCHEME BY CARL DeMAIO

THE LEGAL FIGHT:

The week of August 18 we filed the first of several lawsuits to stop this illegal and unconstitutional redistricting scheme. To no one's surprise the night before at 6 pm the liberal justices of the CA Supreme Court rejected our request for an emergency injunction to stop the days vote in the legislature. But we are far from done in the courtroom-expect several more lawsuits to be filed against Newsom's plan in the coming days.

NO ON PROP 50 CAMPAIGN LAUNCH

We fully expect CA Democrats to have the votes to rubberstamp Newsom's corrupt redistricting plan—which has happened. With the Special Election set for Nov. 4, we officially launched the campaign to defeat Newsom at the ballot box! Check out the campaign website: [NO on Prop 50: Defend Fair Elections](#)-Share it with your friends so they have the message points they need to help us get **NO** votes on Prop 50!

VOTER ID AND POISON PILL INITIATIVES

We are proceeding full steam ahead with our signature drive to qualify the CA Voter ID initiative with a launch of Oct. 1. That's the same time when Prop 50 election ballots arrive in mailboxes, so we will use our army of signature gatherers as the "ground game" to educate voters to oppose Prop 50. As promised on Monday I filed the "Poison Pill" Redistricting Initiative to bar any politician who engages in midcycle redistricting from running for any office for 10 years! We expect to be cleared for signature collection on that in late October. The timing could not be better!

We have a plan to FIGHT— but the ballots for the special election will arrive in mailboxes in just 3 weeks from now.

The polling shows even blue California voters support the independent Citizens' Redistricting Commission by a 2-to-1 margin—so we can WIN this fight if we mobilize ASAP and get everyone's help.

I know I ask for your help a lot, but I can't fight this battle alone. My job is to come up with the plan, and hope people are willing to fight as volunteers and contributors every step of the way. "Carl DeMaio"

ON TRUTH OF ISLAM

The Muslim religion is the fastest growing religion per capita in the United States , especially in the minority races.

Last month I attended a training. During the training session there was a presentation by three speakers representing the Roman Catholic, Protestant and Muslim faiths, who each explained their beliefs.

I was particularly interested in what the Islamic Imam had to say. The Muslim gave a great presentation of the basics of Islam, complete with a video.

After the presentations, time was provided for questions and answers. When it was my turn, I directed my question to the Muslim and asked:

'Please, correct me if I'm wrong, but I understand that most Imams and clerics of Islam have declared a holy jihad [Holy war] against the infidels of the world and, that by killing an infidel, (which is a command to all Muslims) they are assured of a place in heaven. If that's the case, can you give me the definition of an infidel?'

There was no disagreement with my statements and, without hesitation, he replied, " Nonbelievers" I responded, 'So, let me make sure I have this straight. All followers of Allah have been commanded to kill everyone who is not of your faith so they can have a place in heaven. Is that correct?'

The expression on his face changed from one of authority and command to that of a little boy who had just been caught with his hand in the cookie jar. He sheepishly replied, 'Yes.'

I then stated, 'Well, sir, I have a real problem trying to imagine The Pope commanding all Catholics to kill those of your faith or Dr. Stanley ordering all Protestants to do the same in order to guarantee them a place in heaven!'

The Muslim was speechless.

I continued, 'I also have a problem with being your friend when you and your brother clerics are telling your followers to kill me! Let me ask you a question: "Would you rather have your Allah, who tells you to kill me in order for you to go to heaven, or my Jesus who tells me to love you because I am going to heaven and He wants you to be there with me?'

You could have heard a pin drop.

Needless to say, the organizers and/or promoters of the 'Diversification' training seminar were not happy with my way of dealing with the Islamic Imam, and exposing the truth about the Muslims' beliefs.

In twenty years there will be enough Muslim voters in the US. to elect the President.

I think everyone in the U.S. should be required to read this, but with the ACLU, there is no way this will be widely publicized, unless each of us sends it on! This is your chance to make a difference.

Gracious and Ever-Loving God,

We come before You with heavy hearts, grieving the sudden loss of Charlie Kirk, taken too soon from this world. In this time of profound sorrow, we lift his beloved wife, Erika, and their precious children—the daughter and son he loved deeply—into Your tender and protective embrace. In the days to come, may memories of Charlie's love, his faith, his devotion to family and principle, become sources of strength rather than sorrow. May they draw from the legacy he leaves behind—his convictions, his faith, his passion—and find comfort in the knowledge that he lived with purpose and left a mark on our hearts. We offer this prayer in humility and hope, trusting in Your infinite mercy and faithfulness. AMEN
