Subleasing Information for Sublessors – Co-ops

The United Laguna Woods Mutual Bylaws define a Sublessee as any person or persons who sublease a Unit from a Member for such period of time and on such forms as authorized by the Board of Directors from time to time (Bylaws: Art II, Sec 3 (f)). A “Unit” is defined as a dwelling owned by the Corporation (Bylaws: Art II, Sec 3 (g)). United Mutual Members may sublease their Unit for up to 12 months. The sublease is renewable annually. A Member may not assign the Occupancy Agreement or sublet the dwelling unit without the prior written consent of the Corporation. Unit subleases may not be less than 30 days, and consent to one subleasing shall not obligate the Corporation to consent to any other subleasing. The cap on total sublet units is twenty five percent (25%) or 1,581 units.

MEMBER IDENTIFICATION CARDS

Resident ID cards are collected from Members when they execute a Waiver and Consent form giving up their right to use community facilities. Upon surrender of the card, the Member is given a Non-resident Pass that provides the Member access to the community for the purpose of inspecting the subleased premises. This pass does not permit use of or access to the community facilities.

BOARD OF DIRECTORS APPROVAL

Once a complete Application for Permit to Sublease Premises is received by the Leasing Specialist, it is submitted to the Corporation for approval. Sublessee ID cards are not issued until all paperwork is received and the board of directors has approved the application.

Please allow a minimum of **SEVEN WORKING DAYS** from date of submittal of completed, executed documents for obtaining Corporation approval. The Permit will be emailed to the Sublessor or his agent following Board approval. The Member is responsible for providing a copy of the approved Permit to the Sublessee.

The following information is required in order to process the Application for Permit to Sublease Premises:

1. Fully completed documents in the attached packet;
2. Check in the amount of \$160 made payable to the Golden Rain Foundation (or GRF);
3. Member's Resident ID card;
4. Proof of age/identity (copy of driver's license, birth certificate, or passport) for each Sublessee.

Sublessee ID cards will be available no sooner than seven days prior to the sublease start date and only after the Corporation has approved the application. A Waiver of Liability form must be executed by the Sublessor and Sublessee if the Sublessee requires access to the Community prior to the sublease start date.

Mutual is hereby irrevocably appointed and authorized as agent and attorney-in-fact of Sublessor to execute all such subordination instruments in the event Sublessee fails to execute said instruments within five days after notice from Sublessor or Mutual demanding the execution thereof. Laguna Woods Village®

Notice

To: Employees, contractors employed by the Laguna Woods Village associations, members and prospective purchasers of dwelling units at Laguna Woods Village, Laguna Woods

From: Village Management Services Inc.

Subject: Disclosure notice: Laguna Woods Village buildings constructed with asbestos-containing construction materials

Health & Safety Code 25915.2 and 25915.5 require the mutual to provide annual notice about the existence of asbestos-containing materials (ACM) in nonresidential public buildings in the mutual to all employees and contractors performing work within said buildings, and to all members of the mutual.

In addition, the mutual is required to disclose to new owners, within 15 days of acquiring title to a unit, the existence of asbestos-containing material in nonresidential public buildings within the mutual.

Village Management Services Inc., as employer, and as agent, for the associations that own or manage the buildings at Laguna Woods Village, Laguna Woods, for their members, hereby notifies all its employees, contractors and all mutual members and transferees, that some buildings within Laguna Woods Village have been surveyed and found to contain asbestos.

The analytical method used to determine asbestos content was polarized light microscopy/dispersion staining. Since the community has an active asbestos operations and maintenance program, testing is ongoing. Because of the high cost to conduct a complete asbestos survey and analysis of all buildings, surveys are conducted only upon repair, remodel, addition to or removal of a building or part of a building suspected to contain asbestos materials, as required by labor codes. The certificates of analysis for any testing received to date are available to employees, contractors, owners and tenants and transferees for review and photocopying from the Laguna Woods Village Human Resources/Safety Office, 24351 El Toro Road, Laguna Woods, CA., between 9 a.m. and 5 p.m., Monday through Friday.

The following buildings in Laguna Woods Village, Laguna Woods, were constructed prior to 1979 and thus *may* contain asbestos in one or more construction materials: All community facilities buildings (with the exception of Clubhouse 7, the mini-gym at Clubhouse 1, the broadband services building, the Laguna Woods Village Community Center, the vehicle maintenance building, and a portion of the warehouse—all constructed after 1979), including clubhouses and outbuildings, library, maintenance warehouse building, stables, gatehouses, garden center buildings, all detached laundry buildings and residential buildings numbers 1 through 5543 inclusive.

Disclosure notice: Asbestos-containing construction materials continued from previous page

At the time most of the buildings in Laguna Woods Village were constructed, asbestos-containing materials met local codes as well as state and federal regulations and were extensively used in *many* building products, including but not limited to: ceiling tile, floor tile/linoleum and mastic, textured wall surfaces, sprayed acoustical ceilings, fire doors, structural fireproofing, pipe/boiler insulation, attic insulation and heating duct material/insulation.

According to the National Cancer Institute and the Environmental Protection Agency, any asbestos in these materials does not present a threat to health so long as the asbestos is not disturbed and does not become airborne.

However, because breathing asbestos has been known in some instances to cause cancer and other forms of lung disease, sanding, scraping, drilling, sawing, crushing, tearing/breaking up or otherwise disturbing asbestos-containing materials presents a potential health risk. Therefore, you are directed not to perform such tasks in areas with ACM present or suspected unless the area/materials have been tested and found not to contain asbestos or if specifically assigned or contracted to do such work and it is in accordance with all federal, state, and local laws as well as internal guidelines called for in the asbestos operations and maintenance plan and other company safety and environmental policies and procedures.

Village Management Services Inc. employees whose work orders require them to construct, repair, maintain or otherwise disturb construction materials that may contain asbestos are hereby directed to follow the current regulations and policies noted above and to wear the required protective equipment, prior to performing such work. Questions concerning instructions and equipment should be directed to the HR/Safety Supervisor at 949-597-4321.

It is illegal to place asbestos materials or debris in Laguna Woods Village trash dumpsters. Such materials must be disposed of separately in accordance with state and county regulations to avoid fines. Contact the HR/Safety Supervisor at 949-597-4321 for details.

If you become aware of any asbestos-containing material becoming damaged or otherwise disturbed, please contact Laguna Woods Village Customer Service at 949-597-4600, or the HR/Safety Supervisor at 949-597-4321.
