Favorites

The **Favorites** feature allows you to quickly access the channels you have designated as your **Favorites**.

To create a **Favorites** list:

ω Press the 📖 button.

ω Then use the ◀▶ buttons to highlight the 🏠 and press the (OK/SEL) button.

ω On the next menu list use the ▼ arrow to highlight the 'Setup' line and press (OK/SEL) on remote.

ω On the next screen highlight the 'Favorites List Setup' line and then press (OK/SEL).

ω Use ▶ to select **NEW** and press (OK/SEL).

ω To add/remove channels to favorites list use the ◀▶ buttons to select 💙 icon and press (OK/SEL).

ω Use the ▼▲ to scroll through the channel lineup. When a channel is highlighted press the (OK/SEL) to add to your list. (A ♥ will appear next to selected channels).

   Note: To swap between listing the channels by alphabetical order to numerical order press the ▶ button on remote.

ω Once you have selected all of the channels you wish to include in your Favorites List. Use the ▼▲◀▶ buttons to highlight the ✅ and press (OK/SEL).

To rename the **Favorites** list you have just created:

ω Highlight the ⌨ icon, and press (OK/SEL).

ω Then using ▼▲◄► to highlight the letters shown on the TV screen and press the (OK/SEL) button to select the letter.

ω When finished spelling the name of your new list, highlight the 'SAVE' on screen and press (OK/SEL) on remote.

To Exit from the Favorites List Setup screen and return to TV picture press the (X) EXIT button on remote.

To use the new Favorites channels simply press the FAV button on remote.

Quick Add to Favorites List

To quickly add a channel to your Favorites list, simply go into the Guide function screen by pressing (▤) GUIDE on the remote. Using the ► button highlight the ♥ icon on screen and press (OK/SEL). You will then be prompted to select which list you would like to add the channel to. Press the (X) EXIT button on remote to return to regular TV picture.
