## **Alteration Fee Schedule**

*(Continued)*

### **Notes**

- Per Resolution 03-26-05, future revisions to the Alteration Fee Schedule will be included with the Annual Assessment Letter Packet that the Finance Department issues every year in November under the Architectural Review Procedures section of the Annual Policy Statement.
- Approval of requests for exclusive-use common area as recognized within the footprint of the property and variances for the use of common areas that extend beyond the original floorplan and that meet the requirements of Civil Code Section §4600 and existing Mutual Standards and Policies, requires executing a License Agreement.
- If pending alterations require an asbestos abatement procedure (CI07), a preconstruction mutual consent will be applied, which carries a \$60 fee. If you have questions or confirmation of asbestos abatement requirements, please contact Manor Alterations.
- Alteration fees are paid via credit card upon approval of a completed mutual consent application. Manor Alterations will contact applicants directly upon approval to collect payment.
- The following fees, as appropriate to the nature of the work, apply to work completed without a mutual consent:
  - Unauthorized alteration fee
  - Pre-construction mutual consent fee
  - Simple/standard components
  - Variance processing fee (if applicable)
- The following fees, as appropriate to the nature of the work, apply to work completed without a mutual consent or in addition to a mutual consent:
  - License Agreement
  - Correction notice reinspection
  - Mutual consent reinspection
  - Solar application fee
