MONEY MATTERS

Helpful hints for paying your assessment from your Financial Services Department

The VMS Financial Services team enjoys talking to the many residents from Laguna Woods Village. Often, when residents come in with a question or a dilemma related to finances, we can sense their stress and concern. The number-one issue that brings residents to meet with staff is paying the monthly HOA assessment. In this issue, we hope to simplify the payment process for you.

There are several ways to pay your monthly assessment. Our most popular method is the EZPay program—more than 75% of owners use this fee-free payment method. Read “Assessments Made EZ” for details.

For more information from VMS’ Financial Services Department, including facility and service fees, budgets and financial statements, reimbursement forms and procedures, and more, visit lagunawoodsvillage.com/services/financial-services.

YOUR BANK’S BILL-PAY PROGRAM

Arrange automatic payments through your bank for any day of the month. Enter your manor number exactly as it is shown on your assessment coupon (including the dash) as the account number in your bank’s bill pay system. Do not use your resident ID number as the account number. If bill pay is not set up correctly, the bank may issue a paper check, which delays processing, which could lead to your payment posting after the due date. Bank bill pay programs may use a third party to transmit funds, which can result in up to a 10-day delay from the withdrawal from your bank account to your payment posting into Laguna Woods Village’s bank account. Your bank may charge you a fee for this service. The EZPay program does not have any processing delay or fee.

CHECK OR MONEY ORDER WITHOUT A COUPON

Bring a check or money order to Resident Services in the Community Center (24351 El Toro Road) and pay in person at the window or place a check or money order in a sealed envelope in the drop box on the wall opposite the concierge desk. You may also mail the check to Laguna Woods Village, P.O. Box 2220, Laguna Hills, CA 92654-2220. Please write your manor number in the memo line on your check or money order.

The most popular way to pay your monthly assessment is via the EZPay program. Read “Assessments Made EZ” on the next page for details.

CHECK WITH A COUPON

Send the coupon with a check for the **exact** amount of the assessment to the lockbox address on the coupon. Do not round the amount up or down to get an even dollar amount. The lockbox only processes payments if the check is for the same amount listed on the coupon. If there is a different amount between the two documents, payment takes longer to process.

ONLINE PORTAL

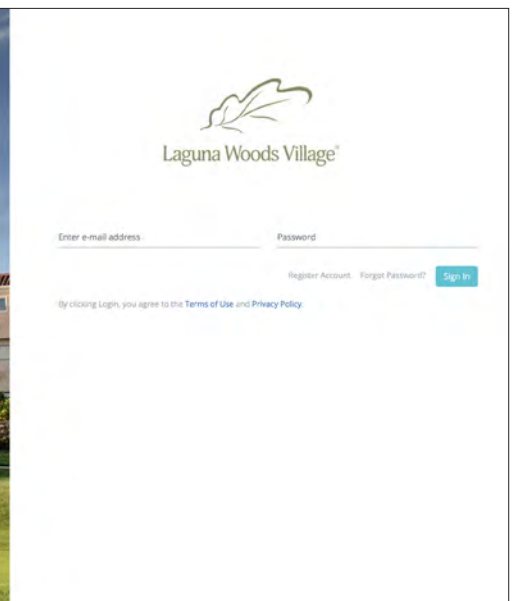

Make payments online using a credit card through the resident portal. Remember that all HOA assessment payments incur a 3.5% convenience fee. The fee is collected by the third-party vendor we use for the portal. GRF does not receive any portion of the convenience fee.

CASH

Although we prefer you use one of the other payment methods listed, you can pay your HOA assessment at Resident Services in the Community Center with cash (U.S. dollars) at a window with a customer service representative. **Do not place cash in the drop box on**

the wall. After completing the transaction, take your receipt from the customer service representative and keep it for reference. It is best to have exact change, as there is limited change in Resident Services.

Remember to make all payments by the due date to avoid a late fee, which will be added to the account for all payments received after the 16th of every month. Late fee pricing varies by mutual.

ASSESSMENTS MADE EZ

Automate your payments and enjoy peace of mind.

The Golden Rain Foundation and your housing mutual offer you the opportunity to make your monthly homeowner's assessment payments automatically through the auto-debit EZPay program. Simply provide written authorization to transfer funds from your checking or savings account, payments are made without fail—and there's no risk of a late fee – **unless your account does not have proper funds available!**

- **Withdrawal date.** EZPay withdraws on the sixth of every month, unless that date falls on a weekend or holiday, in which case it will withdraw on the next business day.
- **EZPay forms.** Find the EZPay authorization form at lagunawoodsvillage.com > **Services** > **Financial Services** or request one from a customer service representative in Resident Services at the Community Center. The form authorizes Laguna Woods Village to withdraw funds to pay your monthly assessment fee.
- **Set up a new EZPay account.** Complete and sign the EZ Pay authorization form and attach a voided check to the application.
- **Update current EZPay account information.** Complete an EZPay authorization form updating the information that has changed. If your account number has changed, provide a new voided check with the form.
- **Cancel your EZPay account.** Find the EZPay cancellation form at lagunawoodsvillage.com > **Services** > **Financial Services** or request one from a Resident Services representative at the Community Center. Complete and sign the form.
- **Turn in new or updated EZPay forms or cancellation forms.**
 - **Email** ezpay@vmsinc.org (scan the voided check with the application)
 - **Mail:** Laguna Woods Village, Attn: Manor Payments, P.O. Box 2220, Laguna Hills, CA 92654-2220
- **In person:** Deliver it to a customer service representative at the Community Center or place the application and voided check (if required) in an envelope, and place the sealed envelope in the drop box located on the wall outside of Resident Services.
- **Turn-in date.** Forms must be turned in before or by the 25th of the current month to be effective the following month (i.e., turned in by September 25 to be effective October 1). If you are a new owner and escrow paid the first month assessment for the manor, EZPay will be effective the second month.
- **Confirmations.** Due to the volume of forms received each month for new and updated account information, the Financial Services Department cannot send out individual confirmations upon receiving forms. Assume that the application will be processed if you sent it in prior to the monthly deadline. If a payment was not withdrawn the following month after you turned in the form, please contact the accounts receivable specialist at **949-597-4217**. If you reach voicemail, please leave your name, phone number and manor number, and explain you are inquiring why an EZPay withdrawal was not made.
- **General EZPay inquiries.** Email ezpay@vmsinc.org or call **949-597-4217**.

HOW THE RESIDENT PORTAL CAN HELP YOU

Submit service order requests, view work orders and more online.

The Village website resident portal allows residents to submit service requests and view scheduled, opened and completed work orders, view account balances, view and print assessment statements, pay assessments or chargeable services via credit card, and enter emergency contact information.

For more information, call Resident Services at [949-597-4600](tel:949-597-4600).

1. From the Laguna Woods Village website main page, click Resident Login in the upper right-hand corner, next to Guest passes.
2. For a first-time login, register your account.
3. Enter the email you have on file with Resident Services. Click Verify Email. If you don't know the email address you have on file, contact Resident Services at [949-597-4600](tel:949-597-4600).
4. Check your email account for an email from the Village that contains a prompt to reset your password. Then return to the Login/Sign In page of the Village website. Enter your email and password.
5. After entering your email and password and clicking Sign In, you will be taken to the Dashboard Page for account details. A dropdown menu is available for Residents who own more than one property. Your personal information will appear in each field. Navigate the Dashboard Page using the left-hand full menu or the icon menu.
6. Select Payments from the left-hand menu to visit the Payments Page, where you can view assessments and other charges. Click Pay Now to pay any charges. You will be taken to Payment Details.
7. Under Payment Details, enter your credit card information and click Submit Payment.
8. Select the Statements Page to download and view current and past statements (pdf format) for your property/properties.
9. Select Work Order to view Scheduled Work Order, Open Work Order or Completed Work Order, or Create New Work Order for your property/properties.

This summary of the Association's policies of insurance provides only certain information, as required by Section 5300 of the Civil Code, and should not be considered a substitute for the complete policy terms and conditions contained in the actual policies of insurance. Any Association member may, upon request and provision of reasonable notice, review the Association's insurance policies and, upon request and payment of reasonable duplication charges, obtain copies of those policies. Although the Association maintains the policies of insurance specified in this summary, the Association's policies of insurance may not cover your property, including personal property or real property improvements to or around your dwelling, or personal injuries or other losses that occur within or around your dwelling. Even if a loss is covered, you may nevertheless be responsible for paying all or a portion of any deductible that applies. Association members should consult with their individual insurance broker or agent for appropriate additional coverage.

The total amount of insurance was discussed with the insurance broker and the Board followed their guidance.

For questions regarding proof of insurance coverage have your escrow company or trust contact:

AJ Gallagher Insurance Services (Property, Crime and Earthquake): Email: Southwest.InterimCerts.GGBUS@ajg.com
(All requests for certificates must be sent via email and cannot be fulfilled over the phone. Standard turnaround time for issuance is within 24 hours and any request that is indicated as a "Rush" in the subject line is fulfilled same day if received by 12:00 p.m. PST. Requests should have "United Laguna Woods Mutual" in the subject line)

If you have questions about the Mutual's insurance policies, please call Risk Management 949-597-4202

The following insurance information should be discussed with your personal insurance agent.

UNITED LAGUNA WOODS MUTUAL INSURANCE DISCLOSURE AND POLICY SUMMARY

HO-6

Insurance and You

What's covered, what's not and how to avoid over-insuring.

BY MICHAEL EVANS

Condominium units require a special type of insurance protection that a homeowner's policy can't provide. Since condos reside within a community, you'll need a policy that covers just your individual unit and the personal belongings within it that make it a home.

HO-6 policies are designed specifically for the coverage needs of condominium owners. These flexible policies allow you to customize your coverage, to provide just the right amount of protection, while avoiding over-insuring your property.

What is HO-6 insurance?

HO-6 policies, commonly called condo insurance, cover condominium units, co-ops and townhouses. The HO-6 form covers named perils, including:

- Accidental discharge of steam or water
- Aircraft
- Explosions
- Falling objects
- Fire and lightning
- Riots
- Smoke
- Theft
- Weight of ice, sleet or snow
- Vandalism
- Vehicles
- Volcanic eruptions
- Wind and hail

Named-peril policies only cover losses caused by those

specifically listed on the policy. For example, if a thief burglarizes your condo, your HO-6 policy will pay to replace stolen property. However, if your kitchen pipes freeze and burst, your condo insurance won't cover the damage because freezing isn't included as a covered peril.

Condo policies are different from homeowners' policies because certain elements of condominium units are covered by a policy purchased by the condominium association, while others are covered by the unit owners' HO-6 policy. Purchasing condo insurance requires you to strike a delicate balance between what your community's policy will cover and the additional protection you need from HO-6 coverage. To make things simpler, this article should help you sort out the details.

Who needs HO-6 insurance?

Anyone who owns a condo, co-op or townhouse needs an HO-6 policy. No other type of policy can cover these types of housing units. Condo policies offer protection for your unit and personal belongings, which you'll need if a storm or fire destroys your unit.

The lender will require you to purchase an HO-6 policy if you take out a mortgage on your condo. Lenders require condo owners to insure their units as a means of mitigating risk. If you didn't carry condo insurance and a disaster totaled your unit, you would be stuck with

ongoing mortgage debt and no home.

What does HO-6 insurance cover?

Most HO-6 policies provide similar coverages as homeowners insurance policies, including the following:

- **Dwelling coverage:** Dwelling coverage – also called building property coverage – pays to rebuild elements of your condo's interior, like ceilings, floors and walls. For example, if smoke damages your living room, this type of coverage will pay to replace ruined flooring and sheetrock. Dwelling coverage will also pay to repair or replace attached additions you add to your condo's original structure.
- **Loss of use coverage:** Following a major covered loss, you'll likely need to move out during reconstruction. Loss of use coverage can help pay living expenses such as hotel rooms and meals. Typically, the coverage only pays the difference between your normal expenses and temporary living expenses. For instance, if you usually spend \$500 per month for groceries, but must pay \$900 for restaurant meals during your home's reconstruction, your loss of use coverage would pay the \$400 difference, based on your policy limit, minus deductible.
- **Medical payments coverage:** If a guest stumbles down the stairs in

your condo during a birthday party, medical payments coverage will help pay the medical bills. This type of coverage only pays the medical expenses of someone outside your household. If you sustain an injury in your home, you'll have to rely on your health insurance.

- **Personal liability coverage:** When a guest sustains an injury in your condo and sues you for damages, your personal liability coverage can help pay your legal expenses. Personal liability coverage can pay a wide range of expenses, from attorney's fees to court or settlement costs.
- **Personal property coverage:** Disasters can destroy more than your condo's interior — they can also ruin your belongings. Personal property coverage pays to replace items such as artwork, clothing, computers, furniture and sports equipment. The personal property coverage in some HO-6 policies also provides protection for items in storage units.

What's covered by the condo association or HOA master policy?

Condominium associations carry insurance policies that cover the entire complex. These policies are called HOA policies, or master policies, and provide two types of protection, including:

- **Liability coverage:** The liability coverage of an HOA policy covers medical expenses if a non-resident sustains an injury in a common area of the property. For example, if a guest slips and falls at the community swimming pool, the master policy's liability coverage can help pay the medical expenses. And, if the injured party sues the condominium association, the liability coverage can help cover legal costs.
- **Property coverage:** Generally, an HOA policy's property coverage pays to repair or rebuild common elements of the community. This can include exterior walls of condos, fences and gates, clubhouses and features such as swimming pools and tennis courts. For instance, if a tree falls on the community grounds and crashes through an office, the master policy's property coverage will pay to repair or rebuild the structure.

Condominium associations have three types of HOA policies to choose from:

- **All-in coverage:** This provides the most coverage for individual condo units. It covers the structures of condos, including fixtures within each unit, as well as the structural elements of common areas. For example, if a fire destroys several condominiums and a pool house, an all-in policy will pay to rebuild all affected structures.
- **Bare walls coverage:** Bare walls master policies provide the least coverage for unit owners. This type of policy only covers exterior structural elements of a condo unit, like its exterior walls and roof. A bare walls policy may also cover damage to systems such as wiring and plumbing.
- **Single entity coverage:** A single entity policy covers everything a bare walls policy does, plus a bit more. This type of coverage also pays to repair or replace built-in fixtures in individual units. For instance, if a car smashes through the wall of a condominium and destroys a built-in bookcase, a single entity HOA policy would pay to repair the wall and replace the bookcase. This type of policy often limits coverage to original built-in fixtures and won't cover elements added by a unit owner.

What does HO-6 insurance not cover?

Like homeowners' policies, condo policies exclude certain types of damage, including:

- **Earthquake damage:** Most standard condo policies don't cover losses to a condo's structure, or personal property, caused by an earthquake. Many major carriers offer separate earthquake policies. Those who live in areas prone to tremors should purchase this important type of coverage.
- **Exterior damage:** An HO-6 policy won't cover damage to exterior walls. Only the master policy covers exterior damage to common areas and individual units. If a covered peril destroys an exterior wall and some of your personal property, the HOA policy would pay to rebuild the wall, while your condo policy would replace your personal items.

THE VALUE OF AN HO6 POLICY

An HO6 policy will protect:

- Alterations and improvements made by you
- Your own personal property
- Temporary living expenses
- Your equity/assets
- Special assessments

United's policy has always covered the outside building structure and commons areas but never modified areas.

We recommend as part of your HO6 policy that you purchase \$100,000 loss assessment coverage.

- **Flood damage:** Most HO-6 policies won't cover structural damage or loss of personal property caused by a flood. Some major insurance providers will facilitate the purchase of separate flood insurance policies through FEMA's National Flood Insurance Program, or you can obtain it from a private flood insurer. Flood policies may cover:
 - Air conditioning and heating systems
 - Appliances
 - Built-in bookcases and cabinets
 - Debris removal
 - Electrical systems
 - Flooring
 - Plumbing systems
 - Wall coverings
- **Policyholder's medical expenses:** Although the medical expenses coverage of an HO-6 policy will pay the medical bills of a guest who slips and falls in your home, it won't pay yours. If you sustain an injury in your condo, you will need to file a claim with your health insurance company to recoup your medical expenses.
- **Roof damage:** HOA policies cover roof damage, but HO-6 policies don't. If a calamity causes additional damage within your unit, the HOA policy would cover some losses, while your condo policy would cover your personal damage. For example, if a limb damages your unit's roof and incoming rainwater destroys your sofa and chairs, the HOA policy would repair the roof and your condo policy's personal property coverage could help pay to replace the furniture.

How much HO-6 insurance do I need?

HO-6 policies are flexible, enabling you to design one to fit your needs. The amount of coverage you need will depend on the value of your personal property and the type of policy your condominium association carries. For instance, if your community carries an all-in master policy, you won't need much dwelling coverage. But, if it holds a bare walls policy, you'll need to carry enough dwelling coverage to pay to rebuild all the interior elements of your unit, like sheetrock, flooring and fixtures.

To determine the amount of personal property coverage you need, take an inventory of your belongings and calculate how much it will cost to replace them. Similarly, determine the amount of personal liability coverage you need based on your lifestyle. If you're a homebody who rarely entertains guests, you can probably get by with a minimum amount of liability coverage. But, if you like to throw parties or have kids who like to host sleepovers, you'll need a higher level of liability protection.

A bit of extra protection is good, but if you over-insure your condo, it will drive up the cost of your insurance premium.

Choosing an HO-6 insurance policy

You need an HO-6 policy that fits your personal needs. First, consider the level of personal property coverage that a standard condo policy can offer. Standard policies limit the amount of coverage for certain types of belongings. If you own expensive jewelry, musical instruments or sports equipment, you may need to add riders to increase the coverage level for those items.

HOA and HO-6 policies must work hand-in-hand. Oftentimes, a calamity can cause damage to the exterior and interior of a condominium unit. It's important to know the type of coverage your community carries – all-in, bare walls or single entity. This will help you determine the amount of dwelling and personal property coverage you need.

Most standard condo policies

According to Lendingtree.com, the national average cost of condo insurance is \$488 per year. In California, the average monthly rate is \$42, and the average annual rate is \$501.

only pay actual cash value for your personal property. In other words, the insurance company will only pay a depreciated value of items such as computers and electronics. However, major carriers offer optional replacement cost coverage, which pays to replace personal property at today's prices.

People who work from home must always carefully examine the exclusions of their HO-6 policies. Many condo policies exclude or limit the amount of payment for office equipment. If you operate a home-based business, you may need to buy a business policy to cover your office equipment and furnishings.

The takeaway

- HO-6 policies cover condominiums, co-ops and townhouses.
- Condo insurance protects your condominium unit and your personal belongings, and covers medical expenses and legal costs if a guest sustains an injury in your unit.
- HO-6 policies work in conjunction with your community's master policy.
- The amount of coverage you need will depend on the value of your personal

property and the level of coverage provided by your community's HOA policy.

If you own a condominium, you need the protection that only an HO-6 policy can provide. Condo policies cover elements of your unit's interior and your personal belongings, which is excluded from most HOA policies. They also come into play when a visitor sustains an injury in your condo, or if someone sues you over an incident that occurs inside your unit.

Before shopping for an HO-6 policy, you need to know the type of coverage your condominium association carries. Your HO-6 policy should compensate for whatever level of coverage the HOA policy leaves vulnerable. By carefully weighing the amount of protection your community's HOA policy offers against the amount of coverage you need, you can rest assured that the HO-6 policy you purchase will effectively cover your valuable home.

RESIDENT SERVICES

WHO—AND WHEN— YA GONNA CALL?

A guide to contacting Resident Services

Water intrusion or some similar urgent situation after normal business hours or on weekends is enough to send anyone into a panic. Here we share guidelines on what department to call in a nonlife-threatening emergency after hours in the Village, as well as when to call Resident Services—and when not to.

After-Hours Resources

Resident Services call-in hours are Monday through Friday from 8 a.m. to 5 p.m., except major holidays. The Resident Services main line is **949-597-4600**.

After normal business hours, calling that same number will offer you the option to be transferred to the Security Services Department (**949-580-1400**).

When to Call Resident Services

Peak call hours for the Resident Services call center are from 9 a.m. to 1 p.m. Monday through Friday. If you can't reach a representative at that time, try again from 1 to 4 p.m. Also, consider calling during mid-week versus on Monday morning, when call volume is the highest.

- Broadband services
- Chargeable service disputes
- Appliance reimbursements
- Landscaping
- Maintenance requests:
 - Carpentry, rodents, termites, etc.
 - New-move electrical
 - Plumbing
- New move in (decals, passes, RFIDs)
- Resident education on mutual responsibility
- Staff complaints/compliments
- Trash and bulky-item pickup
- Vehicle registration

When NOT to Call Resident Services

- Accounting (HOA/Assessment fees): **949-597-4221**
- Compliance/Violations: **949-268-2255**
- Leasing, ID cards: **949-597-4323**
- Manor Alterations Division: **949-597-4616**
- Occupancy applications: **949-268-2393**
- Property taxes: **949-597-4208**
- Recreation: **949-597-4273**
- Resale inspections: **949-597-4636**
- Resale membership requirements: **949-597-4219**
- RV lot space: **949-268-2284**
- Security: **949-580-1400**
- Social Services: **949-597-4267**
- Transportation: **949-597-4659**

RESIDENT SERVICES

DwellingLive IS OUR FRIEND

ENROLL to simplify guest access and overnight parking.

Did you know you can register guests online, and print access and overnight parking passes (OPP) 24 hours a day, seven days a week, using a computer, tablet or smartphone? It's easier than you think!

Guest Passes via DwellingLive

- Visit lagunawoodsvillage.com on your computer, tablet or smartphone.
- Click on the Guest Passes tab at the top right corner of the home page.
- Follow the onscreen instructions to call Gate Clearance or register a guest online.
- Use your email and resident ID to log in.
- First-time DwellingLive users can enroll by following the registration instructions.
 - Use your email address of record and default password (your resident ID number).
 - If you don't know your email address on file, or you want to change your information, contact Resident Services at residentservices@vmsinc.org or call 949-597-4600.
- Once you are logged in, select guest and pass type, and fill in the appropriate information.
- Click Save.
- Your guests are now entered into the system and will be cleared when they come through the gate.
- Download the DwellingLive app for iPhone and iPad at the App Store, and for Android devices at Google Play.

Overnight Parking Passes (OPP) via DwellingLive

Overnight guests, even those who have a multiday pass or are on your annual guest list, still need an Overnight Parking Pass (OPP) for every night they park in the Village. Even if guests have already cleared the gate with an annual pass and later decide to stay the night, you still must call and request an OPP.

If either an OPP or annual pass is lost or forgotten, printing a new pass renders the old pass invalid.

Easily register guests online with DwellingLive at your convenience 24 hours a day.

Laguna Woods Village®

ANNUAL GUEST PASSES

Annual guest pass applications and nonresident owner applications are available at all clubhouses, the Towers, the Laguna Woods Village Library and the Community Center. Online applications are available at lagunawoodsvillage.com > **Services > Resident Services > Resident Services forms and documents > Community Access > Annual Guest Pass Application**. A maximum of five annual passes can be issued per manor. For questions, please call Resident Services at **949-597-4600** or email residentservices@vmsinc.org.

Return applications to: Laguna Woods Community Center, Attn: VMS Inc. Resident Services, P.O. Box 2220, Laguna Hills, CA 92654, along with a legal-sized, self-addressed, stamped envelope.

Before giving a pass to your guest, please print in large, legible letters the first and last name of the passholder on the line provided. **Only the named passholder may use the pass.** Any pass presented without the passholder's name properly printed will be confiscated and the passholder immediately escorted out of the Village.

As a courtesy reminder, you are responsible for the conduct of your guests. For everyone's enjoyment and quality of life, please be sure your guests know and comply with all community rules.

- Laguna Woods Village is private property. Violation of community rules can result in immediate removal from the premises and permanent revocation of guest privileges.
- Pass must be presented to gate staff when entering Laguna Woods Village and upon request of any security officer, other staff or a resident.
- Passholders are not authorized to clear other vehicles through the gates.

All commonplace traffic rules must be observed in Laguna Woods Village, including:

- Park only in designated parking spaces.
- Do not park on sidewalks.
- The speed limit is 25 MPH on streets and 15 MPH in cul-de-sacs.
- While in Village common areas, guests must remain in the immediate company of their resident sponsor, except as allowed by specific Recreation and Special Events Department rules.
- **Absolutely no solicitation** is allowed inside Laguna Woods Village.
- **Issuance of this pass does not authorize the passholder to reside in Laguna Woods Village at any time.**
- Passes are property of the Golden Rain Foundation of Laguna Woods and must be relinquished upon notification. When moving out of the community, it is the responsibility of resident sponsors to collect all passes from all guests and return them to Community Access. A fee may be imposed for each pass that is not returned.
- There is a \$15 nonrefundable fee to replace any pass other than at the annual renewal (lost, altered or destroyed passes).

Laguna Woods Village®

Electric Vehicles

Congratulations on owning an electric vehicle! Laguna Woods Village strives to be a green community, and supports your decision to reduce your vehicle's carbon footprint.

In the Village, there are a limited number of circuits available, so we highly encourage cooperation.

When too many vehicles charge at the same time, whether golf carts or electric cars, the circuit breakers can be overloaded, disabling charging capability for all vehicles in a bank of carports.

Below are recommended guidelines for electric vehicle charging, so that everyone can share power without interruption:

1. Golf carts generally charge during daylight hours. Therefore, electric cars should limit their charging time to between dusk and dawn. Refer to your manufacturer's vehicle manual for specifics on how to set the appropriate charging times.
2. It is important for you to limit the amount of electricity you draw during charging. We recommend you reduce the current draw to no more than eight amps. By doing so, this should allow two electric cars to charge simultaneously in the same bank of carports. In the event additional cars plug into a circuit, the amperage should be reduced to five amps or less.

Please communicate with your neighbors to coordinate ways to stagger charging. This is also a great way to meet your neighbors.

Electric vehicle owners must obtain a decal from Resident Services for an annual cost of \$240 before charging. A decal on your electric vehicle must be in sight in order to avoid any notice of violation or fine.

Call us at Resident Services at 949-597-4600 if you have any questions.

LAGUNA WOOD VILLAGE GOLF CART RULES AND REGULATIONS

This is a summary of the Rules and Regulations regarding golf cart ownership and usage within the Laguna Woods Village Community.

1. REQUIREMENTS:

Pursuant to Resolution Numbers U-81-120 and M3-81-1187, all members of the United and Third Laguna Hills Mutual are required to register all golf carts and pay, as applicable, the electric fees associated with an electric golf cart. Other requirements apply to carport parking and usage on the Golf Course.

2. WINDSHIELD DECAL:

All golf carts, whether owned by a resident of United Laguna Hills Mutual, Third Laguna Hills Mutual or Mutual 50, and, whether gas or electric, must display a Golden Rain Foundation windshield decal. This decal permits entry through the perimeter gates and provides a means by which to identify the vehicle. There is no fee to obtain a windshield decal for your golf cart. Simply bring your cart to the Community Access Department in the Community Center Building and show your Laguna Woods Village identification card to register the cart. Should you change or give up your golf cart for any reason (sell, trade, total, in an accident, etcetera) it is your responsibility to notify Community Access, so they can remove the golf cart from record. There is a non-refundable fee for not returning the decal.

3. TRAIL DECAL:

If you operate your golf cart on any golf course in Laguna Woods Village, you are required to obtain and properly display a trail permit. This trail permit currently costs \$60.00 per year and allows use of a private golf cart on the Laguna Woods Village Golf Course. This permit can be obtained at the Laguna Woods Village Pro Shop located via Gate 12.

If you want to use your cart on the Golf Course, you may pay a \$6.00 fee at the Pro Shop for each usage. If you use your private cart on the Course, without the "Trail" decal or paying the daily fee, you will be subject to being cited by the Course Marshall.

If you have any questions regarding the Trail Permit, contact the Pro Shop at 597-4337.

4. USE AND OPERATION OF A GOLF CART:

License plates and registration, with the State of California, are not required to operate a golf cart upon private property within the confines of Laguna Woods Village. Roads outside of the community, however, are under County and State jurisdiction and any operation of golf carts on such roads is restricted by State law.

Unlicensed/unregistered golf carts are permitted to cross the County roadways, only at certain designated locations, in order to reach other phases as well as the golf course. The City of Laguna Woods has approved only the following locations for such crossings:

- 1. El Toro Road between Security Gates Seven and Fourteen.**
- 2. Santa Maria Avenue between Security Gates Ten and Eleven.**
- 3. Moulton Parkway at the signal intersection of the driving range and Security Gate Twelve at Clubhouse Two.**

In addition, Laguna Woods Village provides a golf path tunnel under El Toro Road between Security Gates One and Five in order to pass between these two locations.

Laguna Woods Village®
Where new adventures begin

Key File Program – Authorization Form

The Community Access Department maintains keys to manors within the Community for the convenience of Laguna Woods Village residents. The Key File Program is completely voluntary and is not a requirement. Members are encouraged to file keys for their Manors with Community Access in order that,

1. Should an emergency maintenance repair be required during a resident's absence, access can be made to the Manor to affect repairs, and
2. A residing member can obtain the key(s) to the Manor to gain access when they have misplaced or otherwise cannot locate their keys.

Any keys that may have been on file prior to the purchase of your manor have been distributed to the real estate broker for disposition. Currently, there are no keys in the Key File Program for your Manor.

To submit keys for your Manor into the Key File Program, please visit the Community Access department located in the Laguna Woods Village Community Center, 24351 El Toro Road, Laguna Woods, CA.

SECURITY SERVICES

DON'T LAND IN THE DOGHOUSE

Rules and regs regarding dogs in the Village

When the weather gets warmer, many residents enjoy the outdoors by walking their dogs. In order to ensure community safety (and peace), the Department of Security Services would like to remind all Village dog owners to please follow these guidelines for dogs.

IMPORTANT SECURITY CONTACTS

Compliance Hotline (Anonymous) - **949-268-CALL**

Lost & Found Message Line - **949-597-4435**

RV storage inquiries - **949-268-2284**

Security (24/7) - **949-580-1400**

Visit lagunawoodsvillage.com/services/security-services for more information regarding security services including reporting a community rule violation, the community emergency operations plans, RV storage and more.

Do

- Keep your dog on leash (not to exceed 6 feet long) at all times while outside of the home
- Pick up dog waste and dispose of it in a proper waste container
- Take action to mitigate dog barking

Don't

- Let your dog bark continuously and disturb the peace and comfort of neighbors
- Allow your dog to be aggressive in the community
- Leave your dog unattended in the community, including common areas, balconies and patios

Residents may register dog complaints with the Compliance Division at **949-268-CALL** or compliance@vmsinc.org or with the Security Department at **949-580-1400**.

Why Scoop That Poop

- It's the law—many urban and suburban areas require it
- It can contaminate groundwater
- It may contain harmful organisms such as *Giardia*, *Salmonella* and *E. coli* that can be transmitted to humans and other animals
- It may contain roundworms and hookworms (deposited by infected animals) that can live in the soil for long periods and transmit to humans and other animals
- It can attract rodents
- It's the right thing to do

COYOTES AND OUR COMMUNITY

Common-sense safety minimizes nuisances and prevents pet loss.

Coyotes are very comfortable living in close proximity to—and without fear of—humans. Sightings in the Village are common, as we are located adjacent to their natural habitat. Knowing how to handle an encounter is important. During the first few months after birth of pups, female coyotes tend to be more protective of their young.

While not normally a danger to us, coyotes will display defensive behaviors if threatened or cornered, which is why it's important to leave a comfortable distance between you and a coyote. If you do encounter one that behaves aggressively, you probably are too close to its prey or family and need to increase the “comfort zone” between you and the animal.

According to OC Community Resources, OC Animal Care and other animal and wildlife government agencies, eradication and/or relocation of urban coyotes is ineffective. However, by practicing defensive measures, you can minimize the nuisance and prevent small pet losses caused by coyotes.

INFORMATION AND RESOURCES

The Laguna Beach Police Department's Animal Services Division will respond to situations in the Village regarding any coyote that is exhibiting aggressive behavior; is sick, injured or dead; or has had physical contact with humans or domestic animals. To report encounters, call [949-497-0701](tel:949-497-0701) or email coyotes@lagunabeachcity.net. Visit the City of Laguna Beach's coyote information web page at bit.ly/41MgxN1.

PLEASE DON'T FEED VILLAGE WILDLIFE

Feeding wildlife is illegal in California. Here in the Village, both mutuals also prohibit feeding or attracting animals. In Third, Resolution 03-16-117, Care & Maintenance of Patios, Balconies, Breezeways & Walkways states “... Items that constitute a nuisance to one's neighbors should not be placed in common areas or limited common areas. Examples are ... food or water, which will attract birds, insects, or other animals ...”

In United, Resolution 01-03-134, Care & Maintenance of Patios, Balconies, Breezeways & Walkways states, “Items that constitute

a nuisance to one's neighbors should not be placed in common areas or limited common areas. Examples are, but not limited to, intrusive wind chimes, reflective objects, food or water that could attract birds, insects, rodents or other animals.”

If you see neighbors feeding wildlife, please call Security at [949-580-1400](tel:949-580-1400). Complaints may be anonymous.

Take the following steps to protect yourself, your pets and your property from coyotes and other wildlife:

- Don't ever feed coyotes or any wild animal
- Eliminate potential food and water sources, such as fallen fruit and standing water
- Feed pets indoors
- Keep cats and small dogs indoors or supervise closely when outdoors
- Store trash in covered heavy-duty containers
- Keep yard areas and patios free from potential shelter, such as thick brush and/or weeds

The Dos and Don'ts of Visitors

Per the governing documents, visitors are permitted to stay overnight for a maximum period of 60 days per a 12-month period per guest solely in conjunction with the occupancy by an approved qualifying resident.

To maintain the status of a senior citizen housing development under California Civil Code 51.3, a person at least 55 years of age must occupy each home as a qualifying resident. A co-occupant who seeks to reside with a qualifying resident shall be at least 45 years of age, or a spouse of a qualifying resident, or a cohabitant of a qualifying resident, or a provider of primary physical support to a qualifying resident.

To ensure these restrictions are met, the board of directors must approve for occupancy any person who is seeking to reside in the unit.

Additionally, vehicles parked in Laguna Woods Village between 12 and 6 a.m. require an overnight parking permit (OPP). Permits can be printed at home via DwellingLIVE, obtained at any gatehouse or at the Laguna Woods Village Community Center.

Members are personally responsible for ensuring that the rules, regulations and policies are followed by anyone they allow into the community. This includes any co-occupant, lessee, contractor, caregiver or guest.

Any complaints or alleged violations can be filed with the Compliance Division by at compliance@vmsinc.org, 949-268-2255 or to Compliance Division, PO Box 2220, Laguna Hills, CA 92654.

United Laguna Woods Mutual

Bylaws Article III, Section 3, states: "Guest occupancy is permitted for a maximum period of 60 days per 12-month period per guest solely in conjunction with the occupancy by a qualifying resident or co-occupant."

Article 5 of the United Mutual occupancy agreement states: "... a guest of a member may occupy the dwelling unit for no more than 60 days per 12-month period ..."

TALKING LOTS OF TRASH

Everything you need to know about organics recycling, bulky-item pickup, prunings pickup and box disposal

The topics of trash and organics recycling have been “recycled” many times, but they are messages that bear repeating. Here’s how you can be a good trash neighbor.

ORGANICS RECYCLING

Keep it simple, keep it clean.

Convenient compostable bags can simplify the organics recycling job and help keep the appropriate bins cleaner, resulting in reduced bin odors.

Find various compostable bags at [Amazon.com](https://www.amazon.com), [HomeDepot.com](https://www.homedepot.com), [Walmart.com](https://www.walmart.com) and similar websites. Compostable bags degrade to humus,

CO₂ and water within 180 days when placed in a standard compost pile. Simply dispose of your organic waste in a compostable bag, and place the bag in your organics recycling bin within three days (an especially important step when disposing of high acidic/alkaline organic waste).

ORGANICS RECYCLING BEST PRACTICES

- Don’t place plastic bags in organics recycling carts. The use of compostable bags is strongly recommended.
- To ensure everyone can participate in the organics recycling program and use the carts for accepted waste, please don’t fill them with garden/lawn prunings. Instead, email Resident Services at residentservices@vmsinc.org or call at **949-597-4600** any time before noon on Thursday, and your garden waste will be picked up on Friday morning. Just provide your address. Place clippings or garden waste close to the curb, but not until Thursday evening.
- Don’t move organic waste recycling carts from their intended locations. Carts will not be serviced in areas where they are not assigned. If a cart has been moved, email LagunaWoods-Recycles@CRRMail.com.

For all trash, traditional recycling and organics recycling questions, please email CR&R at LagunaWoods-Recycles@CRRmail.com or call **949-625-6735**, or visit cityoflagunawoods.org/lwvorganics.

- Consider storing your organics in the freezer and disposing of them on Tuesdays, right before Wednesday pickups, to minimize odors.
- Close the lid to the organics carts completely after use to prevent insect and rodent access.
- Find your nearest organics cart at bit.ly/3NoVmrB and access an interactive or printable map.

before and 8 a.m. the day of your pickup. CR&R will collect the items by the end of the day.

Please only place bulky items at the enclosures you typically use to discard your trash and recycling. If you have a personal cart, only place bulky items at the curb where you normally place trash and recycling carts for collection. Do not block access to any enclosure, containers in any enclosure or vehicle travel.

To learn what bulky items are accepted, visit bit.ly/4cnyhCa.

THE BREAKDOWN

Free space in traditional recycling bins for others.

To optimize the space in recycling container(s), always break down your cardboard waste.

Follow these steps:

- Turn the box upside down. Cut along the center bottom seam, through the packing tape.
- Repeat this under the two flaps on each end of the box, freeing the tape at the edges.
- Pull all four flaps straight up so that all edges on either end move freely up and down.
- Lightly push and twist until the box collapses on itself—flattened and ready to be stacked in your container.

In addition to breaking down boxes, you must remove miscellaneous plastic, Styrofoam and other packing material, which are not recyclable, and place these materials in the regular trash bin.

BUILDING NUMBER	BULKY-ITEM COLLECTION DAY
1-125	Tuesday
126-232	Monday
233-528	Tuesday
529-756	Monday
757-773	Tuesday
774-945	Monday
946-969	Tuesday
2001-2405	Wednesday
3000-3325	Thursday
3326-3532	Friday
4001-4026	Thursday
5001-5372	Friday
5373-5465	Thursday
5468-5519	Thursday
5520-5598	Friday
24055	Thursday
24299	Tuesday
24300	Thursday

BULKY-ITEM PICKUP

No call to Resident Services is necessary.

Place unwanted bulky items out by your shared trash enclosure or on the curb where your personal trash and recycling carts are collected on your area’s collection day **between 7 p.m. the night**

Residential Organics Recycling

Residents are encouraged to dispose of their organic waste in any of the green lid carts (“organic carts”) located throughout Laguna Woods Village.

Green lid carts are for organic waste

What is considered organic waste?

The following waste can be placed in organic carts:

- Food (e.g., breads, coffee grounds, dairy, eggs/eggshells, fats, fish, fruits (pits too!), grease, meat (including bones), nuts/nutshells, oils, shellfish/shells, and vegetables)
- Food soiled paper (e.g., paper coffee filters, napkins, plates, tea bags, and towels, as well as pizza boxes (bottoms only; tops should be recycled!) and wooden chopsticks)
- Pet food (e.g., birdseed, cat food, and dog food)

Cardboard, glass, metal (aluminum/tin), and plastic should be placed in regular recycling containers. Polystyrene should be placed in trash containers.

If an organic cart is full or unavailable for any reason, waste may be placed in a nearby trash container.

What about green waste?

The Laguna Woods Village Landscape Services Department offers a weekly service to pick up residential green waste. Please place your green waste close the curb, in a single pile; staff cannot go into the back of units or pick up multiple piles. All requests must be made through Laguna Woods Village Resident Services at residentservices@vmsinc.org or (949) 597-4600 by Thursday at Noon for pick-up on Friday (holidays may affect these hours). If you submit your request after the deadline, your request will be fulfilled as soon as possible the following week. As a reminder, green waste is not permitted to be placed in the regular trash, recycling, or organic containers located throughout Laguna Woods Village.

Can organic waste be bagged before being placed in an organic cart?

Organic waste may be bagged in compostable or paper bags, or wrapped in newspapers, before being placed in an organic cart. Consider asking for paper bags when shopping for groceries; after groceries are unpacked, those same bags can be used to collect and dispose of organic waste.

Why is residential organics recycling required? What are the benefits?

In 2016, Governor Brown signed into law Senate Bill 1383, which aims to reduce methane, hydrofluorocarbon gas, and anthropogenic black carbon emissions in a statewide effort to combat climate change and improve public health. Senate Bill 1383 mandates residential organics recycling.

Organic waste in landfills emits 20% of California’s methane, a climate super pollutant 84 times more potent than carbon dioxide, as well as air pollutants like PM_{2.5}, which contributes to asthma and other health conditions¹. By lessening the amount of new organic waste disposed of in landfills, residential organics recycling will reduce the impacts of harmful emissions.

What happens to organic waste once collected?

Organic waste collected in Laguna Woods is transported to an anaerobic digestion facility where it is converted to renewable natural gas and/or organic compost.

¹ State of California. California’s Short-Lived Climate Pollutant Reduction Strategy, 23 Nov. 2021, <https://www.calrecycle.ca.gov/organics/slcp>.

For assistance locating your nearest organic cart, please call CR&R Incorporated at (949) 625-6735 or visit www.cityoflagunawoods.org/LWVorganics.

SOCIAL SERVICES

YOUR MENTAL WELL-BEING

WHEN IN NEED, SOCIAL SERVICES HAS YOUR BACK

The Village Social Services Division connects residents to community programs and services—such as caregiver services, transportation, meal delivery programs, mental health programs, dementia care programs, social engagement programs and much more—to help those residents maintain independence and enhance their quality of life.

The team offers comprehensive in-home assessments administered by a licensed clinical social worker (LCSW), a master of social work (MSW) or a master of social work intern (MSWI).

Short-term, goal-driven counseling services focus on immediate needs within six to eight sessions, and a referral to long-term counseling services is provided if necessary.

WHAT IS A SOCIAL WORKER?

Social workers are trained for direct practice with individuals, families, groups and the community in an effort to enhance social functioning and overall well-being.

A variety of support groups offered throughout the year focus on caregiver support, bereavement, healthy aging, women's issues, anxiety and mindfulness, as well as workshops and seminars on timely health and wellness topics for successful aging.

The Friendly Visitor volunteer program, which trains active Village residents to become companions to less-active residents, helps prevent social isolation.

The division assists residents in planning for future needs, and it has partnered with the Foundation of Laguna Woods Village to provide temporary emergency financial assistance to qualifying Village residents.

- Call Social Services at **949-597-4267** or click on the Social Services tab under **Services** at **lagunawoodsvillage.com**.

THE FOUNDATION OF LAGUNA WOODS VILLAGE

There are many residents in the Village who are unaware of the many kinds of help available if they encounter hard times. And hard times seem to be around more now, with inflation impacting older adults who have more limited and often fixed incomes.

With the help of Social Services, a resident can access a range of assistance that can get them through a difficult period. Key among the help available is temporary financial assistance that can pay for caregiver services, an unexpected prescription not covered by insurance, a high electric bill, dental services or medical care, or hearing aid repair and more. Also available for those experiencing difficult times are grocery and gas cards.

There are additional special ways the foundation can help those who qualify financially. Earthquake disaster kits can be obtained, a CARE ambulance contract might be arranged or an emergency response device can be rented for residents who are fall prone but financially challenged. For those who live alone, an emergency response device can save the life of someone who falls.

How do you find out if you qualify for financial assistance or can benefit from one of the foundation's specialty programs? A resident only has to visit Social Services, which is located in the rear of the Community Center (24351 El Toro) on the first floor. Trained staff who will explain how to qualify for such temporary emergency assistance can also be reached at **949-597-4267**. Privacy is ensured, and all requests are kept confidential. If financial assistance is provided, the foundation pays the bill directly for the resident.

If you would like a foundation representative to speak to your group or if you have a way we can reach more people with this information, please contact the foundation at **949-268-2246** or **thefoundation@comline.com**.

For more information about the Foundation, please visit **foundationoflagunawoodsvillage.org**. Please note that donations can always be made using PayPal on the foundation website.

MANOR ALTERATIONS MUTUAL CONSENT PROCESS MAP

Non-Emergency Maintenance Chargeable Services

The Board of Directors of the United Laguna Woods Mutual passed Resolution 01-23-62 on November 14, 2023, to approve the following updated schedule of non-emergency maintenance chargeable services. This program has been implemented for the convenience of the Shareholders of United Mutual.

	The costs provided above are ESTIMATES only and include labor and materials (as noted above). Most parts are to be provided by the Resident. Actual charges may vary.		
	All Mutual supplied parts will be standard brand only.		
	All Mutual supplied parts will be limited to parts in stock.		
	All Mutual provided parts and labor carry a 30-day warranty, unless specified otherwise.		
	Resident Supplied = Resident to supply the replacement or repair parts at the time of service.		
	Failure to be present at the time of service will result in a \$50.00 Missed Maintenance Appointment Fee.		
	Where applicable, a permit fee for the City of Laguna woods will be charged.		

POLICY REGULATING PASSIVE HOME BUSINESSES

The governing documents of Third Laguna Hills Mutual and United Laguna Woods Mutual state that members shall use their units as a private dwelling, and for no other purpose. However, both mutuals recognize the need to establish restricted conditions under which a passive business may be conducted within a residential unit, and this policy regulating passive home businesses was revised and adopted by United Laguna Woods Mutual via Resolution 01-24-86 on August 13, 2024, and by Third Laguna Hills Mutual via Resolution 03-24-75 on July 16, 2024.

The intent of the restrictions is to preclude the use of the dwelling unit in any manner that creates a nuisance, has an adverse effect on the mutual's insurance rates, or has a negative impact on surrounding properties. A nuisance or negative impact can result from increased vehicular traffic, pedestrian traffic, noise and parking congestion, as well as other conditions that affect other residents or properties in the surrounding area.

Further, it is the mutual's intent to prescribe a reasonable standard that allows certain businesses to operate without negatively affecting neighbors and/or the community.

Limitations of Dwelling Use

1. The business shall not change the principal character of the dwelling as a residence.
2. The business shall not employ persons, paid or unpaid, who are not bona fide residents of the dwelling.
3. The business shall be conducted only within the dwelling structure interior and shall not operate in, or be conducted upon any common area or limited-use common area, including a garage, patio, balcony or carport.
4. The business shall not display any signage or other evidence of a business inside or on the exterior of the premises.
5. The business operator shall not use the dwelling address in any advertisement or on any business stationery or business cards.
6. The business shall not occupy more than one room within the dwelling, or 25% of the gross floor area, whichever is less.
7. The business shall not produce, store, maintain on the site or use in its operation any hazardous material (other than typical household cleaning materials in small quantities) that can affect the mutual's insurance rates.
8. No tools, materials or any equipment used in the business may generate smoke, noise, dust, odors or vibration that are atypical of residential property use.
9. A business that uses telephone, computer or mail marketing may not ship, send or otherwise distribute, or receive delivery of business-related goods or merchandise, at the dwelling.
10. Persons conducting home businesses are subject to the regulatory codes and ordinances of the jurisdiction(s) in which the dwelling is located.

Violations of this policy can result in suspension of the use of GRF facilities and voting privileges, and a monetary penalty of up to \$500.

VILLAGE COMMUNICATIONS

The Village Breeze bimonthly magazine, paid for through a partnership with Saddleback MemorialCare Hospital, is delivered to every manor.

“What’s Up in the Village” delivers a digital newsletter full of news, updates and events to your inbox every Friday. Visit lagunawoodsvillage.com/news/subscribe-to-news/ to subscribe.

Village Television (TV6) is community owned and features original programming, great films three days a week and much more!

The Village has its own YouTube channel and the Laguna Woods Globe, which is published by the Orange County Register and available via subscription.

GOT (the Right) INFO?

Questions or curiosity about something you heard that doesn't sound quite right? Village Management Services has answers—in person, online, via email, on Village Television, in the Village Breeze and more!

GET FACTS

- Email info@vmsinc.org, which is monitored and answered daily by staff.
- Read the every-Friday “What’s Up in the Village.” Not subscribed? Visit lagunawoodsvillage.com/news/subscribe-to-news/ to subscribe.
- Read the bi-monthly Village Breeze. Didn't receive your copy? The Village Breeze is delivered to every manor via the United States Postal Service's Every Door Direct program. Call the regional postmaster to inform them of missed delivery at **949 837-1848**. Copies are available throughout the Village at Clubhouse 1 fitness; clubhouse offices 1, 2, 4 and 5; Community Center concierge desk; Community Center fitness; Community Center Recreation office; Equestrian Center office; Garden Center 2 office; Golf pro shop; Par 3 office; Tennis clubhouse; and Village Library.
- Check out the latest news at lagunawoodsvillage.com > News > All News & Events (lagunawoodsvillage.com/news).
- Watch “**This Day**” on TV6 Monday through Saturday at 9 a.m. (rebroadcast at 12:30 and 5 p.m. daily).
- Visit our Facebook page at facebook.com/LagunaWoodsVillage.

ATTEND OPEN MEETINGS

- At lagunawoodsvillage.com under **Calendars**, go to **All Board & Committees Calendar**.
- Meeting information and agenda packets can be found by clicking on the meeting of interest on the calendar.

GET ANSWERS TO FAQs

- Click **FAQ** at the top main menu of the Village website for a list of answers to frequently asked questions regarding general information, sales and leasing, billing, decals and passes and more.

WHO CAN YOU CALL?

- Click **Contact us** in the top right-hand corner of the Village website for general information, important phone numbers and more. A **What can we help you with?** online form (scroll to the bottom of the Contact Us landing page) allows you to make an inquiry to be answered by staff.
- Visit bit.ly/3uJZF7h to view the full phone list or click **Emergency & Frequently Called Numbers** on the Contact Us page.

SIMPLE WAYS TO STAY INFORMED

How to participate in board and committee meetings

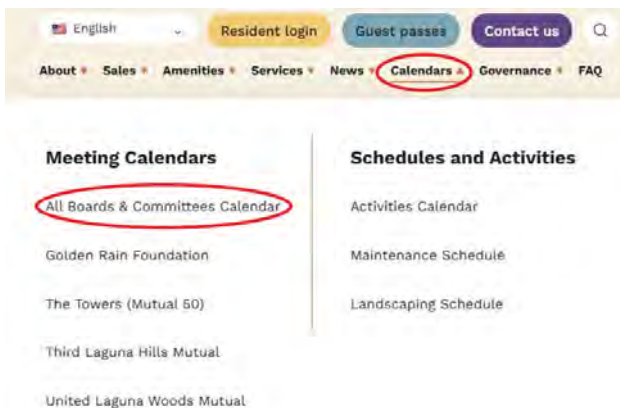

Attending open board and committee meetings is a great way to stay informed and participate in your community. Attend meetings in person, watch them online via Granicus or Zoom, and view live and recorded board meetings on TV6.

The GRF, United and Third boards meet the first, second and third Tuesday (respectively) of each month at 9:30 a.m. View the board and committee meeting schedule at lagunawoodsvillage.com

> [Calendars](#) > [All Board & Committees Calendar](#) (sometimes referred to as TeamUp). All meetings are subject to change; ending times are approximate.

BOARD AND COMMITTEE MEETINGS IN PERSON

Attend open meetings held in the Community Center board room at 24351 El Toro Road and speak about topics not on the agenda during the open forum

or about agenda items during the corresponding portion of the meeting. Members who wish to speak may fill out a card and turn it in to the corporate secretary basket located at the dais. Member comments are limited to three minutes.

BOARD AND COMMITTEE MEETINGS VIA GRANICUS

Visit lagunawoodsvillage.com/meetings to watch board and committee meetings online via Granicus. Meetings are listed by date, with the most recent at the top. Click Video to watch the meetings and view agenda documents, or click Agenda to see the documents and backup materials. Viewers also can locate agenda items by typing keywords into the Search box.

Members also are invited to submit comments by emailing meeting@vmsinc.org any time before or during the meeting. Include your name, unit number and the meeting on which you're commenting in the email subject field.

BOARD AND COMMITTEE MEETINGS VIA ZOOM

Zoom allows attendees to virtually raise their hand, ask questions and speak to board and committee members in real time.

To attend virtual board or committee meetings, look for the Zoom meeting link in the Open Forum section of the respective board or committee agenda posted to lagunawoodsvillage.com > [Calendars](#) > [All Board & Committees Calendar](#). Click on the link a few minutes prior to the meeting to launch Zoom. Then select Open Zoom Meetings and Launch Meeting when prompted. No password or registration is required.

Members who wish to speak during the member comment agenda item may use the Raise Hand button on the Zoom screen. The corporate secretary will then enable members to speak in the order in which they have raised their hand.

BOARD MEETINGS ON VILLAGE TELEVISION

The GRF, United and Third monthly board meetings are aired live on Village Television on the first, second and third Tuesdays (respectively) at 9:30 a.m. All board meetings are replayed on TV6 the following Thursday at 1:30 p.m. as well as the following week on Wednesday at 6 p.m.

If we can't reach you, we can't notify you!

When seconds count, you can count on 

CodeRED is the community notification system used to call, text and/or email Laguna Woods Village residents with time-sensitive and/or emergency information. This system is separate from the regular email information you may be receiving from the Media and Communications Department and requires a specific, unique enrollment.

The Security Services Department and the Laguna Woods Village Disaster Preparedness Task Force encourage you to take a few minutes to ensure we have accurate contact information for you so you are informed in the event of an emergency or threat to the Village. Safety is a two-way street. Be sure to register today to receive the information you need, when it matters, regarding events such as:

- Critical power outages
- Earthquake emergency procedures
- Evacuation
- Gate or road closures
- Safety threats
- Fire

Please fill out the form on the reverse side of this paper and return it in person the Laguna Woods Community Center front desk at 24351 El Toro Road, or mail it to Media and Communications, Village Management Services Inc., 24351 El Toro Road, Laguna Woods, CA 92637. You may also complete the form online through the Laguna Woods Village website. Go to www.lagunawoodsvillage.com, scroll to the footer, under CodeRED click **Sign up today.**

Please be assured that all information provided for your CodeRED notification is confidential and will only be used to contact you in the event of an emergency.

Find out about Southern California power outages, savings opportunities and more.

To ensure you have as much information as possible about Southern California Edison (SCE) and why your power might be out, visit sce.com to find answers.

If you are suddenly without power or wish to know when SCE may schedule an outage for maintenance call/visit:

- Customer support: **800-655-4555**
- Outage information: **800-611-1911**; sce.com/outagecenter

For general resources, customer programs, emergency preparedness, maintenance/repair/rotating outages, wildfire mitigation plan and more, from the sce.com main page, click Menu at the top of the page.

For customers with a heightened need for power to support medical devices, Southern California Edison (SCE) invites you to consider the following three steps:

- Visit the SCE Medical Baseline landing page at sce.com/residential/assistance/medical-baseline to find out whether you qualify for a medical baseline allowance that may translate into savings for you.
- Contact SCE to advise of your critical care/medical needs and to have your account designated as such. This will enable SCE to identify the potential need in your community and collaborate with local government during large-scale emergency events.
- Update your contact information so SCE may be able to deliver critical information, particularly during emergency events.

LIVING WITH NATURE

How to handle too-close bugs and beasts

If you encounter coyotes, raccoons and snakes that come a bit too close for comfort, call the Laguna Beach Police Department at **949-497-0701** and press 0.

For more information, read visit the City of Laguna Beach Animal Services webpage at bit.ly/3z4mqbe.

Call Resident Services at **949-597-4600** for bee swarms.

Laguna Woods Village®
