Notes from the President

Congratulations and Best Wishes to your 2026 Tennis Club Board:

- President - Kevin Majd
- Vice President - Ray Freer
- Treasurer - Susan Rose
- Secretary — Judy S. Brown
- Membership Director — Amanda Moe
- Activities Director — Russell Seagal
- Social Director— Marianne Besseling

It's been my privilege to serve as Tennis Club President these past two years. I deeply appreciate the hard work and dedication of my fellow board members. A hearty thank you to: **Bob** for stepping in to fill vacant positions and for championing our successful C-Level tournaments. **Theresa**, who has managed the finances of the club and keeps a watchful eye on issues affecting the tennis facility. In her quest to seek improvements and to suggest better ways to meet the needs of tennis players in the Village, she has often engaged with Recreation staff and paid attention to GRF board and committee meetings. **Judy** for publishing newsletters that are not only informative but fun to read. **Suzanne** for ensuring all of our social events are entertaining and run smoothly. **Jim** for maintaining our ever-changing member database and for designing the Club's updated logo, which now reflects our official name.

You can see the logo in the upper left of this month's redesigned and renamed newsletter — *News & Views*. It's our hope that our members will supply the "Views," whether in the form of a hot opinion they want to share, a personal success story (on or off the court), a heartfelt thank-you to anyone who has made a difference, or any noteworthy item that other

From the Social Director

Thanks to everyone who came out to dine, dance and socialize at the annual Holiday Party. I especially appreciate **Marianne Besseling** for helping to prep the event (and for stepping up to be Social Director in 2026), and **Susan Rose** (the new Treasurer) for all the great photos, which will be on the website soon. Enjoy a sneak peak here!

From the Membership Director

Now is the time to renew your Tennis Club membership through December 2026. Simply fill out an application (including your Resident ID and signature), include a check or cash to cover your dues, and drop it in the Clubhouse podium. Applications were emailed on October 30th and extras are available at the podium.

Thanks to a suggestion from Cheryl Lutz, we are now including more information about our new members in order to help them find matches right away. Please welcome:
