

Thinking Outside the Pot

An adventure in floral imagination
Lola (Sharon) Madden

Wednesday, February 25, 2026 at 2:00 p.m. in Clubhouse One

Lola (Sharon) Madden enjoyed a long career as an actress, appearing in over 200 roles. For more than two decades, she also taught theater at Loyola Marymount University, where she shared her love of performance with students. Today, she spends her time writing, gardening, and enjoying a quieter pace in Laguna Woods—still using her vivid imagination and viewing life in a playful way.

In this fun class Lola uses slides, hands-on demonstration and practical tips, while encouraging imagination, experimentation, and a relaxed approach to choosing containers, since flowers really don't care where they are planted. The goal is to enjoy the process, trust your eye, and leave seeing the world around you with a new purpose—and a smile.

Refreshments and a free raffle follow the presentation.

Laguna Woods residents and their guests are cordially invited.

There is no charge for members. Non-members are asked to pay \$5.00 at the door.
