

Par 3 Club Scramble Rules

- Each member of the team tees off and the team decides on which ball to play, with the following restriction:
 - The team MUST use AT LEAST two tee shots from each player
 - Mark with an X on the scorecard the holes on which each player's tee shot was used.

- After the tee shot, until the ball is in the hole, the team decides on which shot to use and every player hits from that location.

- Record the team's score for each hole on the scorecard.
