Native American comic, Larry Omaha, is the voice of Nightwolf in Mortal Kombat 9 and has appeared on: Comedy Central's Standup

Revolution hosted by Gabriel Iglesias; Showtime Comedy Special Goin' Native; Comics Unleashed; and HBO/Cinemax Erotic Traveler. Larry's childhood was spent fighting flood waters, snakes, and coyotes on the Midwestern plains. As a youngster Larry had numerous encounters with the law but straightened out and received a scholarship to law school. Bored by legalese he quit school and took a job with the government. Bored by bureaucracy he quit and made a bee-line to Los Angeles to pursue his dream - standup comedy.
