If you love live local music, chances are you're already familiar with the soulful rocking sound of Family Style. This popular band has been playing blues, soul & rock and roll at local venues in Orange County since 1989. With a dynamic stage show and classic soul music from Earth Wind & Fire, Stevie Wonder, Prince, Marvin Gaye and James Brown plus a healthy dose of rock & roll from David Bowie, Stevie Ray Vaughn, Santana and Van Morrison, Family Style will get you on your feet for a funky good time.
