

KOMEDY KLUB

Presents Comedian

Mark Schumacher

Thursday February 23 2023 CH 5

Mark Schumacher's goal is to celebrate the amazing work of educators. Mark was motivated to incorporate personal testimony into his routine, chronicling the successes and failures of his own teaching experiences.

Mark's background in comedy has allowed him to make audiences laugh across the country. In 2015 he was selected as one of the top 100 comedians in the country and performed on NBC's Last Comic Standing. He's been featured in the Orange County Register. His unique experiences teaching – abroad for elementary students and in California as a high school teacher – in addition to traveling all over the world provide endless laughs.

Educators and fans of all ages relate to Mark's cleaner, smarter style.
