

2024 LAP CHALLENGE

Swim from **MAUI** to **KAUAI** by the end of the year!

Test your mettle and complete this year's Lap Challenge,
from Maui to Kauai—a total distance of 224 miles.

At lap pools 2 and 5 only throughout the year, chart your distance in laps or lengths (7,000 laps/14,000 lengths or 35 laps/70 lengths equal one mile), and check in with the pool attendant each session to log your progress using the same measurement for each swim session.

Open to all residents through December 23, 2024.
