

Golden Rain Foundation Electric Vehicle Charging

The Laguna Woods Village Community Center offers charging for electric vehicle (EV) drivers to plug in and power up.

As part of our commitment to provide convenient and sustainable services, we have partnered with ChargePoint to provide:

- + Level 3 (fast charging) three ports
- + Level 2 (slow charging) four ports

THE BASICS

- + **Location:** 24351 El Toro Road (behind the Community Center)
- + **Usage fees:** As of October 1, 2024, the rates for EV charging are as follows:
 - For both Level 2 and Level 3 chargers, the cost is \$0.31 per kWh for approved Laguna Woods Village residents.
 - The cost for the general public for Level 2 is \$0.45 per kWh and for Level 3 is \$0.65 per kWh.
- + **Parking:** The seven parking spaces are for EV charging only. As of July 2025, parking rates are charged as follows:
 - For Level 2 chargers, Laguna Woods Village residents will be charged \$2/hour after 4 hours.
 - For Level 3 chargers, Laguna Woods Village residents will be charged \$0.60/minute after 10-minute grace period when not charging.

The parking fee is charged to encourage drivers to move their vehicle after charging to allow access to other drivers.

+ How to start a charging session:

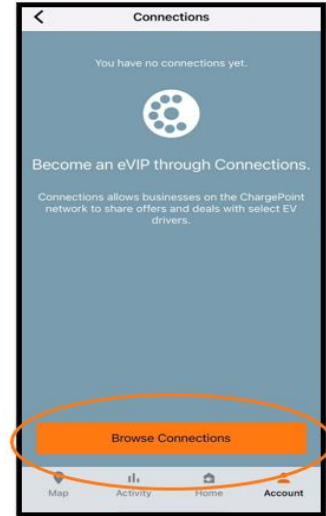

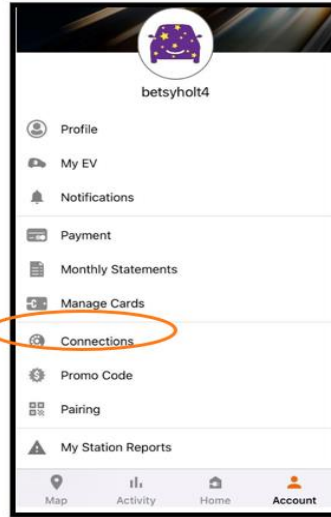

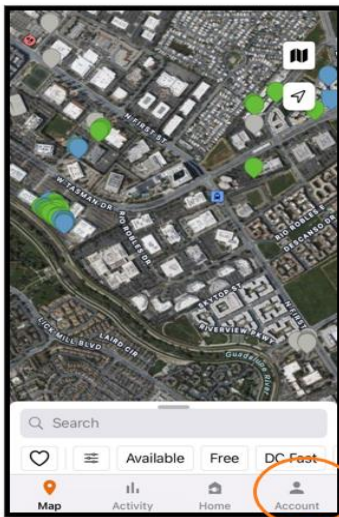

- **Download the mobile app to start charging now.** You can get the mobile app and use the card reader on your smart phone.
- **Join the Golden Rain Foundation connections group. See instructions on next page.**
- **Use any ChargePoint station.** Use your ChargePoint mobile app to locate other ChargePoint locations.
- **Charging your electric vehicle.** Tap your phone over the reader symbol, press the handle button to remove the charging connector, and simply plug in. After you're done, end the session, then unplug the connector and return it to the station.

If you have any issues charging at a station, call ChargePoint 24/7support at **1-888-758-4389** for immediate assistance. ChargePoint support is available.

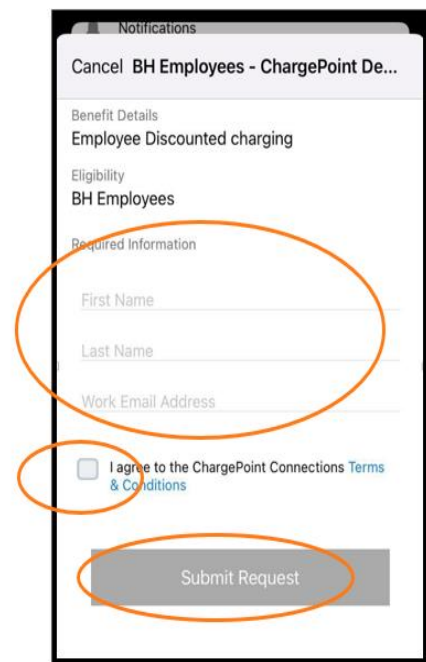

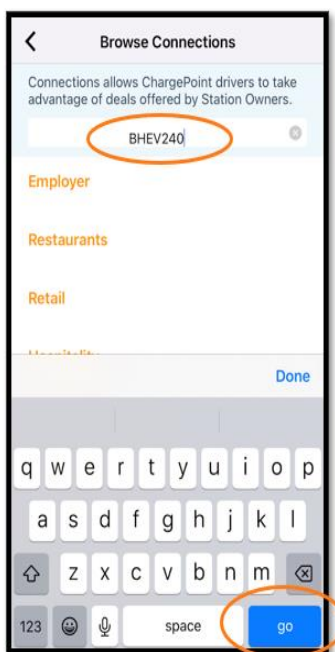

Contact Village Management Services staff at **949-268-2380** during regular business hours.

Become a connected driver via the ChargePoint mobile app (one of two):

1. Open the app and click **Account**.
