

Shaving Cream Workshop on April-22-2022

Our workshop / Demo for Shaving Cream Technique for glazing was a fun filled afternoon with a group of excited members.

The group and I thoroughly enjoyed learning this technique with *"lots of shaving cream" and vibrant colors.*

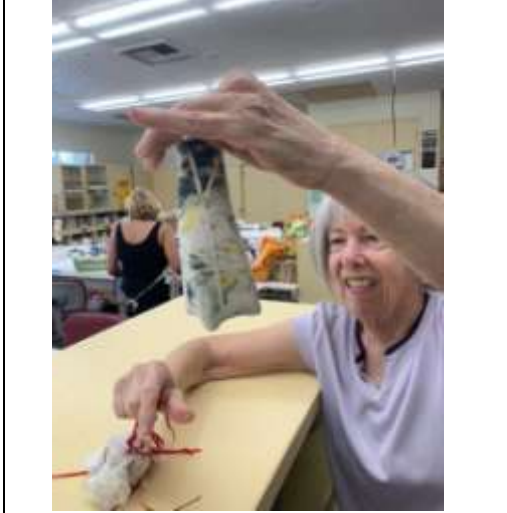

Linda Gross and Karen Kaysing were equally excited to show us endless possibilities for varied pieces of bisque.

Love and Regards
Gul

Here are some photos of the workshop provided by sylvia.

More pictures after firing.
