

Service to Community March, 2020

The Mac Club is pleased to announce new Learning Center hours. Beginning in March, for a trial period of two months, we will open the Learning Center on Saturdays from 10:00 AM to 1:00 PM.

This additional open day supplements our normal hours of Monday through Friday, 9:00 AM to 3:00 PM, except for holidays. Thanks to our volunteers who will provide this service.

The Mac Club is a service club to Laguna Woods Village residents, located on the 3rd floor of the Community Center. We are fortunate that GRF provides the facility and Apple computers for the use of our community.

We welcome you on a Saturday if this is a more convenient time to visit the Learning Center to use a Mac computer, receive help with your Apple devices, limited printing, and scanning of documents.
