

***Mac Club Operation
Membership & COVID-19
August, 2020***

The Mac Club, along with all other clubs, has been closed since March 12, 2020. The shutdown was directed by Village Management Services (VMS) as a result of the COVID-19 crisis. As a result, our operations have been severely impacted, including member benefits and our annual membership drive.

I'm pleased to announce that because of our shutdown, the Board of Directors authorized extending membership to all current members through the year 2021. This will occur at the end of this year, and no action is required of members.

We are all looking forward to seeing you again in the Learning Center. VMS has not provided an opening date yet, but is continuing to monitor both state and county mandates. I will update you when I have more details. Thank you for your patience and understanding.

Gene Hollaway
President
