

***President's Message***  
***Mac Club, December, 2023***

Along with the Mac Club Board of Directors and volunteers, I wish you Happy Holidays and thank all our members for your continued support.

The operation of the club, learning center and lab is performed by dedicated volunteers and I want to thank all of them for making it happen. The Club could not function without these officers, directors, supervisors, instructors and chairpersons.

If you purchased or received a new Apple device, our iPhone, iPad & Mac classes will quickly get you up to speed. Also, be sure to look for Ron's Apple Watch classes to get you started with that new watch.

In December, the lab was able to replace several more of our aging computers with the new 24 inch M3 iMac. If you're interested in this new computer, come in, check it out, & renew your membership if you haven't done so.

Gene Hollaway, President
