Wednesday, March 23, 2022 at 2:00 p.m. in Clubhouse One

Kathy Moine is known for her “Koffee with Kathy” educational sessions at Green Thumb Nursery where she has worked for nearly 25 years. She enjoys teaching everyone how to be successful gardeners regardless of age or experience. As Greenthumb’s Outside Nursery Sales Manager, she’s been rigorously tested on her ability to identify plants and flowers and is an Advanced Certified California Nursery person. Kathy is qualified to advise customers on garden design and how to use fertilizers and pesticides.

The Garden Club once again extends a warm welcome to Kathy Moine. She will use complementary features of four different pots to select flowers that contrast each pot in some favorable way. Kathy’s four sensational arrangements will be given to the lucky winners of a “Special Raffle” at the end of the program. You are invited to come and learn how you can create charisma in your garden.

A free raffle of items brought by members also follows the presentation.

Everyone is welcome, masks are discretionary but proof of vaccination is required to attend.

Members no charge. Guests \$5.00 at the door.

Laguna Woods residents and guests are cordially invited to attend.
