

Handicap posting is a requirement for membership with the Laguna Woods Women Golf Club. Starting January 3, 2023 **ONE SCORE CARD PER GROUP** will need to be turned in Room 3 in the drop box each Tuesday after play. All players must sign the one score card. It is recommended that each tee group fill out 2 group score cards to verify their scores with each other and to have a copy of their scores. Members **MUST POST THEIR SCORES BY FRIDAY BY 4:00 PM.** Starting February if scores are not posted by Friday that player will not be able to schedule a tee time two Tuesdays following. Example one plays on Tuesday, February 7 and do not post by Friday- that player will not receive a tee time on February 21. We encourage you to post your score whenever and wherever you play.
