CATCH UP WITH YOUNG KIM:

Dear Friends:

Happy Summer! Can you believe it's already August? I'm excited to be back home, crisscrossing California's 40th district during the district work period, after a busy several months in Washington.

I came to Congress to bring common sense, break through the gridlock, and get things done, and Team Young continues to work around the clock to deliver results. I visited the Southern border to hear updates from CBP San Diego Sector, the busiest USBP sector by square mile. With the border just two hours from our community, I'm laser focused on securing our border, and pushing back against the Biden-Harris administration's harmful policies that have led to the worst border crisis ever.

We also cannot ignore, as we take summer vacations, the rising cost of gas, made worse by the state gas tax that rose once again in July. I wrote to Governor Newsom to urge him to suspend the state gas tax and bring relief to Californians, who face the highest gas prices in the nation. I also supported H.R. 1, the Lower Energy Cost Act, to increase U.S. energy production, so we can ease the pain at the pump and strengthen our national security.

We shouldn't have to rely on other countries—especially adversaries—to fuel our communities.

As your representative, I will keep fighting to counter the Biden-Harris administration's policies, and work to make life more affordable, keep our communities safe, and protect the American dream. [YoungKim.house.gov](https://www.YoungKim.house.gov)

Happy Summer! It's hot here in Sacramento, and not just the weather! Before our Summer Recess, we handled 19 budget bills, bond measures, and ballot initiatives.

The 2024 budget signed by the governor calls for spending \$298 billion. Gimmicks were used to address the state's \$46.8 billion deficit, and we will see continued deficits as tax increases drive more employers and taxpayers out of the state. Additionally, the governor introduced a second Proposition 47 crime reform measure to compete with the already qualified Homeless, Drug Addiction, and Theft Reduction Act. This last-minute measure includes weaker public safety policies but has failed, leaving only the voter-led initiative moving forward.

In good news, the governor, legislature, and business community agreed on positive adjustments to the Private Attorneys General Act (PAGA).

I introduced Assembly Resolution 105 to ensure patient access to effective pain management, while increasing awareness of opioid dangers among the public and physicians.

PRESIDENT'S MESSAGE

Dear Faithful Patriot Members,

Greetings Patriots, as we wind down our summer season and enter our 2024 election season. It has been a whirlwind roller coaster ride politically the last few months. We and the world have watched so much transpire. I trust it has left you with a range of emotions, some encouraging and inspiring, others overwhelming and discouraging.

We are grateful to Almighty God for His Providence and Hand of protection on President Trump to spare his life on July 13. Let us continue to pray for continued protection for him, all our leaders, and our nation, as well as preservation of our Constitutional Republic.

From the attempted assassination of President Trump...to one of the most inspiring RNC conventions in our Nation's history...to the Democratic Party "Coups" to demand Biden step out of the race after being elected as primary winner...to Harris being acclaimed and endorsed as the new Democratic darling and savior...and then to hear Bebe Netanyahu speak so wisely and boldly to our Congress on July 24th as he seeks support from America, Israel's greatest and most faithful ally. How dare VP Harris disrespect him by refusing to attend. We will need to be in fervent prayer and "keep our face like flint" to focus only what is wise and TRUE, and what will help us save our Republic.

President Trump has outlined his 2024 GOP Platform Promises that our new cabinet and administration plans to fulfill in the upcoming Republican administration. It's a list that we pray that ALL "COMMON SENSE AMERICANS" will grab onto and VOTE for on November 5th 2024.

To accomplish ALL that will be required to win, we will need to "*mind our minds*" and "*guard our hearts*"...as we strive to make strategic plans to bring this mission to fruition. Please plan to participate in any and all ways possible to help us Get out the Vote and influence EVERY Republican and Independent to vote Republican. Watch media that will give us TRUTH. Reflecting on the range of emotions, I encourage us to certainly acknowledge emotions but, at the same time, manage those emotions with truthful facts. Be vigilant and discerning about WHAT & HOW much media we allow ourselves to view. It's vital that we nurture a wise focus, in order to have a calm, healthy, and peaceful heart and mind.

Remember our purpose and mission as Republicans. I consider it an honor and privilege to be elected president of Republican Club of Laguna Woods. Please know that your faithful governing Board of Directors and I are committed to do our best to plan events and communicate information that will ENGAGE, EDUCATE, ENCOURAGE and EQUIP us all. We will strive to fulfill our mission as Republicans, and focus our energy and activities to insure the outcome - to ELECT Republicans into offices locally, statewide and in all federal elections. Buckle up as we roll out plans to ask everyone to participate as you are able.

Let us also continue to PRAY to Almighty GOD for His hand on our nation...and keep forever hopeful that, with GOD's help, He will save our Republic.

Sincerely, Your RCLW President, Pat Micone

THE BIG QUESTION

The moment someone says, “I can’t believe you would vote for Trump,” I simply reply, “I’m not voting for Trump.”

I’m voting for the Second Amendment and my right to defend my life and my family.

I’m voting for the continued growth of my retirement pension and reducing inflation.

I’m voting for a return of our troops from foreign countries and the end to America’s involvement in foreign conflicts.

I’m voting for the Electoral College and for the Republic in which we live.

I’m voting for the Police to be respected once again and to ensure Law & Order. I’m tired of all the criminals having a revolving door and being put back on the street.

I’m voting for the continued appointment of Federal Judges who respect the Constitution and the Bill of Rights.

I’m voting for keeping our jobs in America and not have them outsourced all over the world to China, Mexico and other foreign countries. I want to buy USA made.

I’m voting for secure borders and legal immigration. I can’t believe we have actually allowed over 12 million (or more) illegals into our country.

I’m voting for doing away with all of the freebies given to all of the illegals, and not looking after the needs of the American citizens.

I’m voting for the Military & the Veterans who fought for this Country to give the American people their freedoms.

I’m voting for the unborn babies that have a right to live.

I’m voting for peace in the Middle East.

I’m voting to fight against human/child trafficking,

I’m voting for Freedom of Religion.

I’m voting for the return of teaching math, history, and science instead of indoctrination of our children to use incorrect pronouns.

I’m voting for my children and my grandchildren to ensure their freedoms and their future.

I’m not just voting for one person, I’m voting for the future of my Country.

WHAT ARE YOU VOTING FOR?

2024 GOP PLATFORM PROMISES—MAKE AMERICA GREAT AGAIN

End inflation, and make America affordable again.

Make America the dominant energy producer in the world, by far!

Stop outsourcing, and turn the United States into a manufacturing superpower.

Large tax cuts for workers, and no tax on tips!

Defend our Constitution, our Bill of Rights, and our fundamental freedoms, including freedom of speech, freedom of religion, and the right to keep and bear arms.

Prevent World War Three, restore peace in Europe and in the Middle East, and BUILD a great Iron Dome missile shield over our entire country. All made in America.

End weaponization of the government against the American people.

Stop the migrant crime epidemic, demolish the foreign drug cartels, crush gang violence, and lock up all violent offenders.

Rebuild our cities, including Washington D.C., making them safe, clean, and beautiful again.

Keep the U.S. dollar as the world's reserve currency.

Fight for and protect Social Security and Medicare with no cuts, including no changes to the retirement age.

Cancel the electric vehicle mandate, and cut costly and burdensome regulations.

Cut federal spending for any school pushing critical race theory, radical gender ideology, and other inappropriate racial, sexual or political content on our children.

Keep men out of women's sports.

Deport pro-Hamas radicals, and make our college campuses safe and patriotic again.

Secure our elections, including same day voting, voter identification paper ballots, and proof of citizenship.

Unite our Country by bringing it to new and record levels of success.

Strengthen and modernize our military, making it without question, the strongest and most powerful in the world.

WAYNE ALLYN ROOT: THE CHOICE OF KAMALA MAKES NO SENSE.

It's a terrible mistake. But Democrats have something up their sleeve. Something very evil and shocking is coming. Donald J. Trump is not supposed to be alive. It's literally a miracle that President Trump is still standing.

Trump was winning by a landslide, destroying Joe Biden in every poll, and about to preside over the most popular and successful political convention in history, while unifying the entire country.

Everything that has happened since has been a result of the shock, panic and desperation of the Democrats and Deep State. First, Biden just happened to suffer a serious "medical emergency" in Las Vegas. Next, this panicked Deep State cabal quickly anointed Vice President Kamala Harris as Biden's replacement, and twisted the arms of everyone in the Democrat Party to endorse her, despite serious misgivings.

Now Democrats appear to be stuck with the cackling moron, clearly the worst candidate in history. Then she went on to become the most unpopular Vice President in modern history, failing at every assignment; loathed by her boss, Joe Biden, and despised by everyone that worked for her too (92% of her staff quit).

Clearly, they've made a terrible error, forced by the panic from Trump's miraculous survival.

Bettors (who put their money where their mouth is) think Kamala has literally no chance at victory.

Something is wrong. Democrats must have something up their sleeve. Because this decision to back Kamala makes no sense. And they're too smart and cunning to make an enforced error like this. Their goal now is to plan and coordinate crisis and chaos for the fall election season.

First, will Biden step down from the presidency? Next up on the menu is almost certainly a new pandemic. Next on the menu is registering 20 to 30 million illegal alien invaders, promising them the world and everything is free.

Something very evil and shocking is coming. **Below are 17 examples of Harris' far-left record:**

1. **Co-sponsored legislation** to protect illegal immigrants from deportation
2. **Backed** Bernie Sanders' Medicare for All legislations
3. **Backed** banning private health insurance
4. **Supported giving** taxpayer-funded coverage to illegal immigrants
5. Supported **banning** fracking
6. Backed **defunding** the police
7. **Compared** ICE to the KKK
8. Wanted to "undo" the Trump's administration's border security taking **94 executive actions** in their first 100 days to rescind nearly every Trump-era measure
9. Wanted to ban **plastic straws**
10. Defending banning **offshore** drilling
11. **Supported** decriminalizing illegal border crossings
12. **Called** for "starting (ICE) from scratch"
13. **Argued** that temporarily closing the border violated federal law
14. **Raised** money for Minnesota Freedom Fund, a far-left organization that pays to bail out of jail violent criminals, including accused murderers and Rapists
15. **Supported** Los Angeles's cuts to their police department
16. Called efforts to add more police to the streets "**wrongheaded thinking**"
17. **Said** she wouldn't "treat" illegal aliens as "criminals"

Did Democrats bother to vet Kamala's VP? Because stolen valor, BLM burning, COVID tyranny, stolen teacher's funds, supporting Oct. 7 and promoting Hitler are not good looks for a Presidential ticket. I've never in my lifetime seen anything as crazy, reckless, incompetent, radical, extreme or bizarre as the Democrat's choice of Vice-President. But just when I thought it couldn't get worse than that, we all found out his wife was celebrating when BLM rioters burned downtown Minneapolis down. She bragged that she kept her windows open, because she loved the smell of BLM burning down her own town. These people are not just communists. They are insane. They are guilt-ridden, self-hating, white liberal morons.

Wayne Allyn Root is not your typical CEO. The media calls him "the conservative warrior" and "Mr. Relentless."
