

Join the Saddle Club and Support the Village Equestrian Center

The Saddle Club is a social organization whose goals are to support the Equestrian Center (EC) through Saddle Club projects and activities, and to have fun while doing so! The club membership is made up of Laguna Woods Village residents and EC boarders who want to have a good time while supporting a worthwhile cause. All net profits from Saddle Club activities are used to purchase items needed for the stables that are not funded otherwise. Remember, you don't need a horse to join!
