Board and Committee Meetings Via Zoom

Residents can participate live in board and committee meetings when held via [Zoom](#). Other meetings besides board and committee meetings may be held via GoToMeeting.

Zoom allows Village residents to virtually raise their hand, ask questions and speak to board and committee members in real time. Zoom also automatically records and publishes board and committee meetings to lagunawoodsvillage.com/meetings (Granicus), so residents can watch them on demand.

To attend virtual board or committee meetings, just look for the Zoom meeting link in the Open Forum section of the respective board or committee agenda posted on lagunawoodsvillage.com > [Calendars \(sometimes referred to as TeamUp\)](#). Click on the link a few minutes prior to the meeting to launch Zoom. Then select **Open Zoom Meetings** and **Launch Meeting** when prompted. Residents will not need to register or enter a password to attend.

Members who wish to speak during the member comment agenda item may use the **Raise Hand** button on the Zoom screen. Members will be recognized in the order in which they have raised the hand. The corporate secretary will then enable the member to speak.
