

BICYCLE REGISTRATION DAY

**FRIDAY, MARCH 20 | PERFORMING ARTS CENTER
10 AM TO NOON | FREE**

The VMS Security Services Department invites you to a bicycle registry event that aims to raise theft awareness, reduce the number of unrecovered bicycles throughout the Village—and increase the chances of a stolen bike being returned.

Bring your bicycle to the event, Security Services staff will take a photo of your bike and its serial number, and add your information to the department's bicycle database.
