

Laguna Woods Archery Club – Globe Submission for December 18, 2025, Publication:

One more week before Christmas so it is not too late to give or receive a gift of an archery lesson and introduction to the Village indoor archery range. The LWAC membership has an annual due of only \$20 and offers full access to the range and our archery gear seven days a week, except during GRF-recognized holidays. The membership term runs from April to April. We do not offer any proration. Just request a club Orientation by email (anson2@hotmail.com) wherein you will receive an appointment for one-on-one training in the basics of recurve archery and universal range protocol. From then, you may shoot every day for free till the end of your membership.

We can provide instruction on bare bow, unenhanced recurve, freestyle recurve and compound bow. Our club inventory consists of right and left-handed recurve bows and a Genesis bow that is a hybrid of a recurve and compound. Paper targets are your responsibility; however, we have cardboard-backed targets available for \$1.

The range will be closed for the Christmas week and reopen on January 2nd, 2026. The LWAC range sessions will continue from 1-3pm daily and 11am-1pm on the weekends. A Range Safety Officer will always be present to assist and maintain safety. Target distances will be at your request from 5yd increments to 20yds. It is best to master one distance before moving to a farther distance.

Happy Holidays to you and your families.

Anson K. Dong
